# The late show...

Tadley Calleva 2 Baffins Milton Rovers 1

*Sydenhams Wessex League Premier Division  
Saturday 19th January 2019*

Baffins came to Barlow's Park in excellent form, not having lost a league match since mid-November when they were defeated 3-1 by runaway league leaders Sholing. Tadley were forced to make several changes to the side with George Hallahan having picked up a serious injury in added time in the 2-2 draw with Portland United ruled out. Ross Cook moved to Whitchurch United in mid-week and Andrew Charsley and Tom Walsh were also missing. Manager Danny Dolan put his faith in young Chad Abrams moving him in at centre-back.

The visitors got off to the best possible start after only five minutes played, taking a short corner which resulted in Ashton Leigh's sweeping cross finding Tyler Yates at the far post to slide the ball home past Sean O'Brien.

Their joy was short lived however as we were back on level terms six minutes later after threatening the Baffins goal on several occasions. A free kick was quickly played to Danny Vickers and his through ball found the in-form Brett Denham who fired his left foot shot across Cameron Scott for a well deserved equaliser.

Brett Denham then had another great opportunity several minutes later, only for Scott to dive smartly to his left hand side to deny us taking the lead. Meanwhile, the visitors best effort of the half came from a Tommy Leigh header which went well over the bar with O'Brien well placed to deal with it.

Tadley almost took the lead on the stroke of half-time when a Sam Hamilton drive was well defended by Baffins goal scorer Yates who cleared it off the line. Both teams went in at the break on level terms, but it would be fair to say that Tadley created the better opportunities.

The visitors came out for the second half clearly fired up and almost scored within minutes of the re-start, only for O'Brien to deny Tierney with a really good save. Tadley's best chance to take the lead came from a Shemar Pettet throw-in as Shaun Dallimore's flicked header was met first time by Brett Denham only for Scott to be in the right place to save the striker's effort.

The visitors were starting to dominate possession as we entered the final fifteen minutes and they again came close after Tierney played a neat one-two with Jason Parish only to see his effort go narrowly over the bar. Tadley scored the winner with five minutes remaining. A short corner was played to Aaron Parfitt and his excellently driven cross was met by skipper Shaun Dallimore to head home a superb winner.

Team; O'Brien, Pettet, Nurse, Abrams, Dallimore, Nicholls, Vickers (Pearson), Parfitt, Denham, Neller (Thorne), Hamilton (Alliston)

Not Used; Thomas,  
(Attendance 67)

Today's visitors in action

# Hamworthy United

## Today's Visitors

Records indicate that this is the first ever league meeting between the two sides and we won't have to wait long for the return fixture when we travel to Hamworthy on Tuesday 12th March for the return.

The club was formed as Hamworthy Football Club in 1926 and moved to their current ground in 1950 after entering the FA Cup for the first time two seasons earlier. They became founder members of the Dorset Premier League in 1957 before amalgamating with Trinidad Old Boys at the start of 1971-72 season and changing their name to Hamworthy United FC.

The Dorset Combination League became the Dorset Premier League in 2002 with Hamworthy United being champions in both that and the following season before joining the Wessex League in 2004. They won the Wessex League Cup in 2004-05 and have remained in the Premier Division to this day.

Last season Hamworthy United finished in 5th position in the Wessex League Premier Division and their top scorer was Daniel Cann with 20 league goals. The club play their home matches at Specsavers County Ground, Hamworthy, BH15 4BF and they are affectionately known as 'The Hammers' by their loyal band of supporters.

# Time for Consistency...

## Editors Note

Good afternoon and welcome to Barlow's Park for today's Wessex Premier Division match. A particularly warm welcome is extended to the players, officials and supporters of Hamworthy United and also to today's match officials.

First, please accept our sincere apologies as circumstances dictated that we had to go to print prior to Tuesday's match away at AFC Portchester - hopefully we have been celebrating after a good result?

It's also been a frustrating couple of weeks due to the inclement weather. Our home match against Bournemouth two weeks ago was postponed due to the snow and our match last week away at Team Solent was called off due to a waterlogged pitch.

However, we will go into today's game with a degree of confidence. Although we lost narrowly by 1-0 away at Andover New Street to a late penalty, we've also had some good results prior to that defeat, drawing 2-2 with Portland United and a 2-1 home win over the impressive Baffins Milton Rovers. However, we also know that we need show more consistency and go on a good unbeaten run!

Hamworthy will also come into today's match feeling very confident. A four game winning run has taken them up to 6th place in the table.

There were only four league matches that beat the weather last Saturday. Alresford Town (our next opponents) continued on their recent good run with a 3-0 way win over Bashley. Bournemouth maintained their position with a 2-0 away win at Christchurch. Lymington Town drew 2-2 at home against Hamble Club - coming back from two nil down. And finally, Cowes Sports moved out of the bottom two after a 1-1 draw with bottom side Andover New Street.

We saw a bit of a twitter storm a few weeks back after we announced the signing of former Reading, Luton Town and Wycombe Wanderers striker Dean Morgan. We warmly welcome Dean to our club and look forward to seeing him in a Tadley shirt. Hopefully he is available for today's match. We have also recruited a new Physio and are pleased to welcome Gideon Vallenge to the club.

Our Reserve side had a good 5-1 home win over Liss Athletic in the Wyvern Combination last Saturday whilst our 'A' side went down by the same score away at Hook in the Junior A Cup.

Please note that you can follow us on Twitter @tadleycallevafc for latest updates & news on all teams - including future social events. You can also link to our updated website via our Twitter page.

# Welcome to Barlows Park —

Home to Tadley Calleva FC

Barlow's Park is a modern football facility consisting of several pitches and a clubhouse.

The facilities, which include changing rooms and a board room, are also available to other local organisations.

Situated in Tadley on the Hampshire/Berkshire border, it is run by volunteers on a non-profit basis, to provide football amenities to the local community.

The Park is managed by the BPMA (Barlow's Park Management Association). Since taking over in September 2007 ongoing improvements have and continue to be made. The latest of which include pitch fencing, hard standing, flood lights and a club house.

*For further information on Barlow's Park please call: 0118 9817367 or email: [sandy.russell@barlowspark.org](mailto:sandy.russell@barlowspark.org)*

# Another Sore One!

Andover New Street 1 Tadley Calleva 0

*Sydenhams Wessex League Premier Division  
Saturday 26th January 2019*

We travelled down to Foxcotte Park in a confident mood after recent good results against top sides Portland United and Baffins Milton Rovers respectively.

With a few out injured and a couple of players unavailable, we still felt comfortable that we had a squad strong enough to come away from Andover with the points. Unfortunately another contentious penalty decision cost us dearly. It could be argued that we only had ourselves to blame as we didn't hit the net, but with two decent penalty shouts ourselves it was yet another sore result to take!

We started the game on the front foot and soon put the home side under pressure. Brett Denham was giving the home defence all sorts of problems with his pace. However, he also found goalkeeper Alex Thompson in excellent form. Two one-on-one opportunities saw the home stopper block both with his feet. His other opportunity saw him brought down from behind by Jamie Coleman as he raced in on goal. Unfortunately for Tadley the referee didn't agree and waved play on.

The closest Andover came in the first period was from a looping Shane Lock header which hit the top of the Tadley crossbar. Tadley had two further decent opportunities late in the half. Thompson saved a well struck Luke Neller free-kick and Jake Nicholls almost got on the end of a Brett Denham cut back only to be thwarted by Max Allen with an excellently timed tackle.

The second half was a more open affair with both sides looking for the opener. Tadley dominated possession, but couldn't find the penetration needed to test Thompson further. The home side looked happy to defend deep in an attempt to catch us on the counter.

The deadlock was broken in the 72nd minute. New Street did break away down our right and Lock made his way into the area. What looked like a good ball winning tackle was penalised by the referee and Callum Sweeney stepped up to put the home side 1-0 up. New Street were then content to sit in and see the game out. We were thwarted by the post and, what we saw as, a clear handball in the penalty area in our attempts to get something from the game - again the referee disagreed.

Manager Danny Dolan was disappointed at the final whistle saying 'I would have been quite happy to have come away with a point due to the manner in which we played, but to concede another late dubious penalty is very frustrating. I felt our appeals for a couple of penalty decisions were far more clear cut'.

Team; O'Brien, Kingston, Thomas, Dallimore, Walsh, Nurse, Pearson (Thorne), Nicholls, Denham, Neller (McLean), Alliston, (Hamilton).

Not Used; Maylen, Bush  
(Attendance 104)

# The History

## In brief

Tadley has had a football team since the early 1900's. In the modern era the team was re-formed in 1989 and played in the Basingstoke and North Hants Leagues before winning promotion to the Hampshire League. The club was formed as Tadley F.C. in 1989. They joined the Hampshire League Division Three in 1994, finishing runners-up in 1995-96, gaining promotion to Division Two.

The club changed its name to Tadley Town F.C. in 1999 and joined Division One upon re-organisation. In 2004, they changed their name to their present name and entered the Wessex Football League Division Three.

Division Three was re-named Division Two in 2006, and the club finished runners-up in 2007. In the 2007-08 season, they won the Wessex League Division One title but were denied promotion as their ground did not meet the requirements for the Premier Division. The Reserve side was also very successful in the same season by taking the Wessex Combination League title.

Since then the team has remained in Division One and has steadily been making progress on and off the field year on year. They narrowly missed out on promotion in 2014-15 and 2015-16 respectively by finishing in 3rd positions in both seasons.

In the 2010-11 campaign they reached the final of the Basingstoke Senior Cup losing to Thattham Town 4-1. The club then went on to win the same cup in 2013-14 beating local rivals AFC Aldermaston 3-2 (aet) in the final. In September 2014, the club recorded probably the best result of its modern history, defeating Conference South Basingstoke Town on penalties in the Hampshire FA Senior Cup at The Camrose after a 2-2 draw in 90 minutes.

The club had its best run in the FA Vase in season 2015-16 reaching the 3rd round proper before eventually being knocked out 4-2 after a replay and extra-time against Newport (IoW) from the Wessex Premier Division.

They have also reached the final of the North Hants Senior Cup in the last two seasons; losing out 3-1 to local rivals Whitchurch United in 2016-17, again at The Camrose, and then 5-4 on penalties to Andover New Street in 2017-18 at Longmeadow after a 3-3 draw in normal time.

The club achieved its ambition of gaining promotion to the Wessex League Premier Division last season - the highest level (Step 5) that the club has competed at. The goal is to consolidate its position on the field and to make significant progress with the infrastructure off the field.
