# Costly Missed Chances...

*Match Report by Dan Walkley*

## **Redhill 0 Tadley Calleva 0 Combined Counties League - Premier Division Saturday 4th March 2023**

Tadley left Kiln Brown rueing a multitude of missed chances as they played out a stalemate with the hosts Redhill. Going into the fixture off the back of an away win at Knaphill during the previous midweek, Tadley were looking to build up momentum ahead of a fully loaded March fixture schedule. Two additions to the squad saw James Batchelor signed from Farnham Town while Matthew Bustin joined from near neighbours Mortimer.

Tadley got the game underway and immediately looked threatening as a ball over the top found Alex Fragata on the left hand side who, after an initial touch, delivered the ball into the box. It found Kieran Rodgers at the back post who was unlucky not to put the ball into the back of the Redhill net. A sign of intent from Tadley within the first minute. Just a few moments later the visitors were at it again. Rodgers picked the ball up on the right hand side, beat his man and fired in a low driven ball across the six-yard line to an oncoming Ben Wright whose first time effort unfortunately cannoned back off the post.

A good save from Craig Atkinson just after 10 minutes kept the game level as a rare chance came for the hosts against the run of play. Tadley continued to dominate the remainder of the first half and the chances kept coming, but to no avail. The best of the rest coming from Alex Fragata who forced a great save from Redhill keeper Harvey Keogh. With the first forty-five being totally dominated by the away side, they would then be made to rue those missed chances. (HT 0-0)

Redhill came out for the second half with a different mindset, much more aggressive in their press and attacking with more intent. The midfield battles were now being controlled by the hosts and they tried to utilise their pace up front. No more so than when Kareem Akinnibi was played in through the heart of the Tadley defence. Fortunately for the visitors, when faced faced up by Akinson, Akinnibi dragged his shot and the ball trickled just wide of the post; the best opportunity of the match thus far.

Tadley needed to react and, with 15 minutes remaining, they did just that. A diagonal ball over the top found Alex Fragata who drove at the defender and into the box. With a neat bit of trickery he knocked the ball past his man and was subsequently brought down. A penalty to Tadley. Ben Wright stepped up and struck the ball low and hard in an attempt to find the bottom corner. Unfortunately for the Wright the outstretched hand of Keogh kept the ball out and he then saw the follow up go wide of his right hand post. Although Redhill gained some confidence from the penalty save, the final few minutes went off largely uneventful and the points were subsequently shared. (FT 0-0)

# Camberley Town

## Tonight's Visitors

The club was established in 1895 after a discussion at St Michael's church and was originally named St Michael's Football Club, although they became known as St Michael's, Camberley. The first match, a friendly, was played on 16th October against D Company from the Royal Military College in nearby Sandhurst; St Michael's won 4-2. In January 1896 they joined the Surrey County Football Association, entering and winning the Surrey Junior Cup in season 1897-98; the club's first competitive game was played on 16th October 1897, a Junior Cup first round match against Farncombe which St Michael's won 5-2. After winning the cup, the club joined the East & West Surrey League for the 1898-99 season. In January 1901 a public meeting was held, at which it was decided to establish a new club that would absorb both St Michael's and Camberley Magpies. The name Camberley & Yorktown was adopted and the club took St Michael's place in the East & West Surrey League. However, they dropped into the Aldershot Combination in 1902, before switching to the Ascot & District League in 1903. The club finished as runners-up in their first season and went on to win the league in 1904-05. They were runners-up again in 1905-06, before winning a hat-trick of successive titles in 1907-08, 1908-09 and 1909-10, remaining unbeaten throughout the third of the title winning seasons. The season also saw them win the Surrey Junior Cup for a second time, beating Sutton United 2-0 in the final. In 1910, Camberley & Yorktown returned to the East & West Surrey League, which had been renamed the West Surrey League. In 1912-13 the club also entered the three club Aldershot Senior Civilian League, which they won. They went on to win the West Surrey League the following season. In 1922 Camberley &

Yorktown were founder members of the Surrey Senior League. They won three successive titles in 1930-31, 1931-32 and 1932-33 and were runners-up in 1938-39. After World War II the club was renamed Camberley, and were Surrey Senior League runners-up in 1946-47, before winning the league's Charity Cup in 1951-52 with a 4-3 win over Chertsey Town. The club were league runners-up again in 1961-62, and adopted their current name in 2nd June 1967 after merging with former Parthenon League club Camberley Wanderers. In 1973 they joined the Spartan League, but left to join Division Two of the Athenian League in 1975. In 1977 they switched to Division Two of the Isthmian League, and were promoted to Division One after finishing as Division Two runners-up in 1978-79. Two seasons later they were relegated, and after a single season back in Division Two, they rejoined the Athenian League, which now had a single division. In 1983 Rick Wakeman became the club's chairman while he was living in Camberley. He remained in this post until 1986 when he was elected Vice-President, and left the club when he moved to the Isle of Man in 1988. In 1984 the Athenian League disbanded; Camberley rejoined the Isthmian League and were placed in Division Two South, where they remained until being placed in Division Three following league re-organisation in 1991. In 1998-99 the club reached the first round of the FA Cup for the first time. Drawn away to Third Division Brentford, they lost 5-0. Division Three became Division Two in 2002, and Camberley remained members until the end of the 2005-06 season, when they dropped into the Premier Division of the Combined Counties League. They finished as runners-up in the Division in seasons 2013-14 and 2014-15 respectively.

# Emergency Response...

Joe Lawler & Ben Dillon

## From the 'dugout'

Good evening and a warm welcome to Barlows Park to all of our supporters for tonight's game against Camberley Town. We'd also like to welcome the management team, players, officials and supporters of 'The Krooners' who have made the journey here to Tadley.

Looking back to Saturday, speaking about the performance first, we felt it was an extremely encouraging one. We looked solid and strong at the back and got into some good areas going forward. Yes, we acknowledge that Sheerwater went down to ten, nine and eight men at one point in the match due to a red card and a couple on sin bin incidents, but we kept plugging away, maintained our discipline that saw us take a 3-0 lead before the game got abandoned. It was pleasing to see opportunities being created from various players throughout the team and for Kieran Rodgers to get his first goal for the club.

The game was abandoned around the sixty-fifth minute mark as a result of a medical emergency with a Sheerwater player. We'd like to praise the immense contribution of all that were involved in ensuring that the player was okay prior to the arrival of the emergency services, but in particular a special mention must go to Tom Walsh, Shemar Pettet and Carolyn Tuttle. The actions of these guys were nothing short of heroic and helped to ensure that the player involved made it home safely to his family the following day. To say thank

you and that they are a credit to this football club and their respective families wouldn't do justice to the level of their actions and there is absolutely no doubt that we are very lucky to have people of their calibre be representatives of our club. We would also like to place on record our sincere thanks to Neil Humphries who, after hearing of the incident, donated a portable defibrillator to the club.....an absolutely fantastic gesture. (presentation photo enclosed)

On tonight's match, we are under no illusion of how tough this game will be. We know this first hand from our trip to Krooner Park earlier in the season where we lost 3-2. Camberley Town will be a tough, direct team, who will put us under pressure from the first minute. They are also in a recent good run of form having defeated teams that are currently sitting higher than us in the table. We know we will need to be at our best to get the right result.

Thank you for your support tonight and we hope to put on a performance to be proud of!

# Tadley Left Frustrated...

*Match Report by Dan Walkley*

**Tadley Calleva 0 Badshot Lea 3**  
*Combined Counties League - Premier Division (South)*  
*Tuesday 7th March 2023*

Goals from Dean Rule, Dan Walster and Danilo Cadete saw visitors Badshot Lea leave Barlows Park with all three points in a midweek Combined Counties League Premier Division fixture where both teams were in need of the points. Tadley went into the game off the back of a nil-nil draw away at the now struggling Redhill whilst the visitors were on the the end of a shock 2-1 defeat away at local rivals Farnham Town.

Tadley got the game underway on a bitterly cold night in North Hampshire, but were unable to obtain any real control of the ball in the early stages. The visitors aggressive press allowed them to create a handful of chances, but none that threatened Craig Atkinson's goal. However, on 10 minutes, Tadley had the first clear opportunity to open the scoring. A quick throw-in on the left found Ben Wright who then allowed the ball to run across his body. He got his shot away that bounced just before Badshot keeper Kallum Lunn, but Lunn was able to get down and push the ball behind for a corner. Badshot Lea continued to push forward, but with more intent and began to look more threatening with each passing move. A loose ball on the halfway line was picked up by Dean Rule who produced a lovely piece of skill to knock the ball past Louie Chambers. Rule continued his run deep into the Tadley half, cut inside onto his right foot and slotted the ball into the far corner of Atkinson's net. The visitors kept pushing without reply and looked the more likely to score the next goal through their dominance in the midfield. The dominance paid off as on 40 minutes they doubled their lead. A corner from the

right found it's way to Dan Walster free on the edge of the Tadley box. With time on his side Walster was able to adjust his body before placing his shot beyond Atkinson and into the bottom right hand corner of the Tadley goal. The home side went into the break two down and looking visibly deflated with their first half performance. (HT 0-2)

The second forty-five started much as the first had ended and within a few minutes the home side could have been three down. However, a strong save down to his left by Atkinson kept Tadley's hopes of getting back into the game alive. Eventually, Tadley started to grow into the game and began to get some joy breaking the Badshot defensive line. Half chances came and went without much danger of a goal and any hopes of a comeback began to look increasingly unlikely. With three minutes remaining, the game was put out of reach of the home side. Substitute Danilo Cadete was played in behind the Tadley defence to find himself one on one with Craig Atkinson. Cadete opened his body and slotted the ball home to secure all three points for the visitors. A very frustrating night for the home side who saw their hopes of a top five finish take a significant knock. (FT 0-3)

Tadley Team; Atkinson, Batchelor, Goater, Neal, Pettet (sub 46' Miller), Chambers, French, Darboe (sub 46' Fragata), Rodgers (sub 72' Bustin), B Wright, Kinge (sub 60' Ahmetaj)

Attendance: 74

# The History

Tadley has had a football team since the early 1900's. In the modern era the team was re-formed in 1989 and played in the Basingstoke and North Hants Leagues before winning promotion to the Hampshire League. The club was formed as Tadley F.C. in 1989. They joined the Hampshire League Division Three in 1994, finishing runners-up in 1995-96, gaining promotion to Division Two.

The club changed its name to Tadley Town F.C. in 1999 and joined Division One upon re-organisation. In 2004, they changed their name to their present name and entered the Wessex Football League Division Three.

Division Three was re-named Division Two in 2006, and the club finished runners-up in 2007. In the 2007-08 season, they won the Wessex League Division One title but were denied promotion as their ground did not meet the requirements for the Premier Division. The Reserve side was also very successful in the same season by taking the Wessex Combination League title.

Since then the team has remained in Division One and has steadily been making progress on and off the field year on year. They narrowly missed out on promotion in 2014-15 and 2015-16 respectively by finishing in 3rd position in both seasons.

In the 2010-11 campaign they reached the final of the Basingstoke Senior Cup losing to Thatcham Town 4-1. The club then went on to win the same cup in 2013-14 beating local rivals AFC Aldermaston 3-2 (aet) in the final. In September 2014, the club recorded probably the best result of its modern history, defeating Conference South Basingstoke Town on penalties in the Hampshire FA Senior Cup at The Camrose after a 2-2 draw in 90 minutes.

The club had its best run in the FA Vase in season 2015-16 reaching the 3rd round proper before eventually being knocked out 4-2 after a replay and extra-time against Newport (IoW) from the Wessex Premier Division.

They have also reached the final of the North Hants Senior Cup in the last two seasons; losing out 3-1 to local rivals Whitchurch United in 2016-17, again at The Camrose, and then 5-4 on penalties to Andover New Street in 2017-18 at Longmeadow after a 3-3 draw in normal time.

The club achieved its ambition of gaining promotion to the Wessex League Premier Division last season - the highest level (Step 5) that the club has competed at. The goal is to consolidate its position on the field and to make significant progress with the infrastructure off the field.
