*Combined Counties League - Premier Division (North)  
Saturday 9th April 2022*

We started the game on the front foot and, after only a matter of minutes, Callum Cleary fired a fierce shot just wide of the post after good play from Aiden Harris. However, we didn't have to wait too long for the opener. On 8 minutes, quick play from Craig Atkinson found Aiden Harris breaking into the Wembley half. Harris then played a superb diagonal pass to striker Ben Wright who looped the ball over keeper Jermaine Heron into the corner of the net. The second soon followed, Cleary was cynically brought down on the edge of the penalty area by Oscar Egboh for a free kick to Tadley. Egboh was probably fortunate to only see a yellow card as it appeared that Cleary was clean through on goal. Ben Wright stepped up and fired the ball high past the despairing dive of Heron for his second of the match. The home side were struggling to get a foothold in the match and found it difficult to break through a well organised Tadley defence. Their only real chance came after 20 minutes when a drop ball by the referee was hit on the half volley by Mitchell Brown. Fortunately for Tadley his clever attempt bounced back off the bar with keeper Atkinson beaten. Tadley were dominating possession and playing some neat football and were unlucky not to extend the lead on 30 minutes after some excellent build up play involving Andrew Charsley, Brody Peart and Jack French. It resulted in French's driven shot being superbly saved by keeper Heron. The decisive 3rd goal came on the stroke of half time. A corner on the right was cleared back out to Jordan Goater who whipped in a left foot cross for Brad Neal to powerfully head home. (HT 0-3)

The second half started in similar fashion to the first and Tadley scored goal number four on 52 minutes. Jack French found Callum Cleary out wide who delayed his cross before picking out the run of Brad Neal to nod home from 6 yards out. Midway through the half skipper Tom Walsh was replaced by Jacob Rolfe and Jordan Goater replaced by Scott Kinge. Substitute Kinge was soon into the action and almost scored with his first touch, but his well struck shot went narrowly wide of the far post. To be fair to the home side they did continue to work hard in an attempt to get themselves back into the match. However, they really struggled to trouble Craig Atkinson in the Tadley goal. Their best second half chance fell to substitute Qasim Khan after he was set up by Mahad Osman, but his shot flew high and wide of the target. On 68 minutes, only an excellent piece of defending by Wayne Walters prevented Ben Wright from completing his hat-trick. Kalum Cousins, Marc Vockins and Kieran Maylen replaced Darboe, Harris and Charsley for the final 20 minutes. However, Tadley failed to add to the score line, with Cousins and Peart probably having the better of the scoring opportunities late on. (FT 0-4)

Tadley Team; Atkinson, Harris (sub 78' Vockins), Walsh (C), (sub 64' Rolfe), Neal, Charsley (sub 78' Maylen), Goater (sub 64' Kinge), French, Darboe (sub 73' Cousins), Peart, Wright, Cleary

# Edgware Town

## Today's Visitors

We welcome Edgware Town to Barlows Park today for the return league fixture which was played back in November. We left Silver Jubilee Park with a share of the points after a very competitive 1-1 draw - although the home side will probably have felt a little hard done by with Tadley keeper Chris Wing being named MotM. Nile Waite opened the scoring for Edgware with Ben Wright scoring late on for Tadley. Today's encounter will hopefully be as entertaining.

Edgware Town were founded in 1939 and played in the Middlesex Senior League until joining the Corinthian League in the 1946-47 season. In 1948 they won the Middlesex Senior Cup. In 1963 the club transferred to Division One of the Athenian League. They finished 3rd in their first season, but were eventually promoted to the Premier Division. However, they were relegated back to Division One the following season and were again relegated to Division Two by finishing bottom again.

In 1972 the club was renamed Edgware before changing back to Edgware Town in 1987. They won the Spartan League Premier Division in 1987-88 and again 1989-90. After their second title win they were promoted to the Isthmian League Division Two.

After league re-organisation in 1991 they were placed in Division Three which they won the following season. They were then relegated back to Division Three in 2001. In 2006, the now re-named Division Two was disbanded and Edgware moved back to the

Spartan League Premier Division which they won at their first attempt. They also won the Premier Cup and Challenge Trophy. However they folded at the end of the 2007-08 season due to lack of funds.

In 2014, a group including Dan and Antony Manzi, Daz Bloor and Ken Batten secured the clubs return to non-league football in the Spartan South Midlands League Division One. The 2015-16 season saw 'The Wares' finish top with only 2 defeats but lose the Divisional Cup Final to Crawley Green. They were subsequently promoted to the Premier Division under the management team of Michael Roach, Fabio Valenti and Peter Grant. The ground at Silver Jubilee Park was upgraded with 3 new stands, new floodlights, extended changing rooms and a new perimeter fence. The ground has a capacity just shy of 2000.

Fergus Moore took over the team in 2017 and after a difficult start the team finished in 10th position. 2018-19 saw another mid table finish with Joe Pascoe joining the management team towards the end of the season. 2019-20 was curtailed due to COVID-19 with the team looking good for a top 10 finish. The 2020-21 season saw the return of title winning manager Michael Roache as Assistant to Fergus Moore.

At the end of the curtailed 2020-21 season the club was transferred to the Premier Division North of the Combined Counties League when current manager Zak Hudson took over the team from the departing manager Fergus Moore.

# Curtain Closer...

## From the 'dugout'

Good afternoon everyone. An extended warm welcome to all Edgware Town management, players, committee, their travelling fans and also to today's match officials for our final game of the season.

We are looking for a big reaction today after our heavy midweek defeat at the hands of Southall. On a surprisingly poor playing surface, we were not at our best and, with five experienced first team regulars also missing, it definitely showed in our play. In saying that, we must acknowledge that Southall are a very good side and fully deserved their win. Hopefully, we learned a lesson from the experience and can now move on this afternoon.

On the whole, myself and Joe are very happy with what we have achieved since taking over. Our main objective was to stabilise the club and keep us in this division. We've achieved that objective and are now fighting for a top ten finish on the last day of the season - something that the whole management team and squad can take a great deal of credit for. The players have worked very hard, shown a great attitude and fully deserve a top ten finish - should it go our way!

From sitting with two points after the first twelve games, rooted at the bottom of the league, to where we are now is a terrific achievement.

We really hope you enjoy our game today and we can showcase how far we have come with a quality performance against a very good Edgware Town side. We are expecting a very difficult match and will be another great test for us.

Enjoy the day today and we thank you for all your support throughout the season.

We would also like to take this opportunity to congratulate our A side who have won the Basingstoke & District Division One title, the North Hants DFA May Cup and more recently the Peter Raynbird Cup....an absolutely terrific achievement. They are also in the final of the Basingstoke Junior A Cup being played here at Barlows Park on the 7th May. We hope you can get along and cheers the lads on in their quest for a historic quadruple.

TWO Basingstoke & District League Division 1 opponents met for the right to take possession of the North Hants May Cup on a mild Maundy Thursday evening at Longmeadow. Tadley had recently taken the league title, confirmed by a 7-0 win over tonight's opponents, who presently sit in third place in the table. Tadley were therefore considered to be favourites.

CK made a bright start with a Mumford free kick from around 25-yards just clearing the Tadley bar. Tadley responded as Stokes, from the right struck an effort that deflected just wide of the far post. As Chilton played in a right-wing cross there were two CK teammates arriving at the far post, the closest Mumford just got a 'nick' on it and in doing so deflected it beyond Oxley and the chance was lost. CK keeper Phillips was called into action to block a Perrymann shot with his legs following a Blunt pass. Play was fairly even for a while and CK appeared to have a chance but Borley's touch was just a bit heavy and Tadley keeper Sedgewick advanced swiftly to clear. There was little to separate them in this half and 0-0 was about right at the break.

Sedgewick was called upon to make a fine diving save to push a Borley free kick around the post to prevent CK going ahead early in the second half. Tadley were looking a bit sharper in this half with Goodenough heading over a cross by Theodore from close range at the far post. The all-important goal came shortly after when Theodore played a free kick into the CK box from the right, the ball was knocked back across the goal where Gundry laid it on for Condon to nod over the line.

Close to twenty minutes remained for CK to respond and a firm Mumford effort from a wide position was just off target. As the game moved into the latter stages CK, whose attacks were cheered on by enthusiastic support, made a concerted effort to get on terms. Chilton's header from a corner was directed at Sedgewick, a speculative Harris effort drifted wide and the same player fired over. Into stoppage time, it wasn't to be CK's evening as a Borley header was cleared and he then put what looked to be a decent cross into the box but no one was in the middle and Sedgewick collected comfortably. FT: 1-0 to Tadley.

There were five yellow cards and the Tadley bench also received a couple of stiff lectures too but regardless of that, the game was played in a very good spirit which was fitting of a cup final.

Despite CK's late rally, Tadley were probably the more composed side on the night. Credit to CK though, they were always in the game but it was Tadley who have now completed a league and cup double. They also have a Junior 'A' and Peter Raybird final to look forward to as well. Their silver polisher may well be revising their contract considering all the extra work that may be necessary within the Barlows Park trophy cabinet come the end of this campaign! {Gary Day}

*Report by Danny Dolan*

Egham Town 1 Tadley Calleva 1

*Combined Counties League - Premier Division (North)*

*Saturday 16th April 2022*

Tadley began the match the brighter of the two sides and Ben Wright almost opened the scoring on 4 minutes when he tried an audacious chip from 25 yards. Unfortunately he failed to fool home keeper Michael Edegbe who saw it all the way and stepped back to save. On the 10 minute mark, a terrific 'rabona' pass from Wright, just inside the Egham half, split the home defence to find young Brody Peart breaking through the line. It was only a last ditch tackle by Egham's Reece Yorke that prevented Peart from scoring. It was all Tadley in the opening 15 minutes and Wright was unlucky to see his 25 yard shot crash off the bar with Edegbe well beaten. Egham eventually got themselves into the game and Brandon Trujillo found space on the edge of the Tadley box and tried to slot his shot inside of the near post. It was well saved by Joel Halliday (coming in from Basingstoke Town Academy for the injured Craig Atkinson) who diverted the ball out for a corner. It was now the home side who were having a sustained period of pressure with some good build up play through their midfield up to the hard working Brendan Matthews. It was only a terrific tackle by Andrew Charsley that thwarted Trujillo for a second time after being set up by Matthews. Egham's closest effort came from a free kick whipped into the box by Williams which found Robinson, but his first time volley was superbly saved by young Halliday. Tadley stood firm and were soon back on the front foot. A 30 yard drive by Peart was expertly pushed onto the bar by Edegbe who was called upon minutes later to divert a Brad Neal header over the bar. (HT 0-0)

Tadley opened the second half in similar fashion to the first and should have opened the scoring in the first minute. This time it was Peart breaking down the right hand side easily outstripping full back Ryan Phillips to cross for Callum Cleary. However, Cleary couldn't quite manoeuvre his feet quickly enough and the ball spun high into the air from 4 yards out with the goal at his mercy. On 55 minutes, the home side were awarded a very contentious penalty when Andrew Charsley was adjudged to have brought down winger Robinson when it looked to us to be a very good ball winning tackle. Matthews stepped up to send Halliday the wrong way and make it 1-0. to the home side. Going behind had a visible impact on the away side and Egham began to create the bulk of the second half chances. Ousman Darboe was replaced by Brett Denham on 56 minutes after he took a nasty looking head knock. With the home side looking to hold onto their narrow lead, Tadley made their remaining substitutions and changing to a back three in an attempt to get back into the game. It proved a decisive move as, in the 89th minute, Jack French played in Ben Wright who smashed his first time left foot drive past keeper Edegbe for a well deserved equaliser, (FT 1-1)

Tadley Team; Halliday, Vockins (sub 84' Watroba), Harris, Neal (C), Charsley, Goater (sub 62' Lambden), Peart (sub 62' Cousins), Darboe (sub 56' Denham), French, Wright, Cleary

# The History

Tadley has had a football team since the early 1900's. In the modern era the team was re-formed in 1989 and played in the Basingstoke and North Hants Leagues before winning promotion to the Hampshire League. The club was formed as Tadley F.C. in 1989. They joined the Hampshire League Division Three in 1994, finishing runners-up in 1995–96, gaining promotion to Division Two.

The club changed its name to Tadley Town F.C. in 1999 and joined Division One upon re-organisation. In 2004, they changed their name to their present name and entered the Wessex Football League Division Three.

Division Three was re-named Division Two in 2006, and the club finished runners-up in 2007. In the 2007–08 season, they won the Wessex League Division One title but were denied promotion as their ground did not meet the requirements for the Premier Division. The Reserve side was also very successful in the same season by taking the Wessex Combination League title.

Since then the team has remained in Division One and has steadily been making progress on and off the field year on year. They narrowly missed out on promotion in 2014–15 and 2015–16 respectively by finishing in 3rd position in both seasons.

In the 2010–11 campaign they reached the final of the Basingstoke Senior Cup losing to Thatcham Town 4–1. The club then went on to win the same cup in 2013–14 beating local rivals AFC Aldermaston 3–2 (aet) in the final. In September 2014, the club recorded probably the best result of its modern history, defeating Conference South Basingstoke Town on penalties in the Hampshire FA Senior Cup at The Camrose after a 2–2 draw in 90 minutes.

The club had its best run in the FA Vase in season 2015–16 reaching the 3rd round proper before eventually being knocked out 4–2 after a replay and extra-time against Newport (IoW) from the Wessex Premier Division.

They have also reached the final of the North Hants Senior Cup in the last two seasons; losing out 3–1 to local rivals Whitchurch United in 2016–17, again at The Camrose, and then 5–4 on penalties to Andover New Street in 2017–18 at Longmeadow after a 3–3 draw in normal time.

The club achieved its ambition of gaining promotion to the Wessex League Premier Division last season - the highest level (Step 5) that the club has competed at. The goal is to consolidate its position on the field and to make significant progress with the infrastructure off the field.
