# Game of Two Halves...

Christchurch 2 Tadley Calleva 0

*Sydenhams Wessex League Division One  
Saturday 7th October 2017*

Well, our unbeaten league run had to come to an end at some point!..... and it came last Saturday when we lost 2-0 away at Christchurch with both goals coming in a mad two mad minute spell of the first half.

We won the toss and decided to defend the slope in the opening period. There was nothing between the teams in the opening 15 minutes. The real first serious effort on goal came from the hosts when a corner was met by Richard Jackson, but his header was comfortably saved by Kieran Greene.

However, the game changed on the 30 minutes when Christchurch winger James King broke down the left and his miss hit cross flew over the stranded Kieran Greene and in off the far post. And it got worse for us just two minutes later when we failed to clear the ball which fell to Max Wilcock some 20 yards from goal. He skewed his shot which fell nicely to his strike partner Luke Stone and he side footed home. This knocked our confidence somewhat and we were put under a bit of pressure for the next 10 minutes.

We had two great opportunities to get one back before the break. Sam Hamilton beat the offside trap from a Scott Kinge through ball, but his deft lob just grazed the top of the bar. Our best chance fell to Darryl Philips. After good work from Paul Coventry and Shaun Dallimore, Darryl's glancing header went narrowly wide when it looked easier to score.

The second half was all us. Manager Danny Dolan brought on Jason Kingston and Archie Fawcett and decided to change his formation. This appeared to work as we created numerous good chances, but unfortunately failed to capitalise on any of them.

Our best chance at the start of the second half fell to Paul Coventry. He found himself free in the box some 12 yards out, but his first time volley went wide of the target as most of us thought we were back in the game. We also had a great penalty shout when Brett Denham's fiercely struck shot was blocked by the hands of Grant Cormack on the 6 yard line - unfortunately the referee did not agree.

We were the dominant side in the second half, but were also susceptible to the odd breakaway and we had to defend resolutely at times to ensure we remained in the game. We created several other opportunities, but good goalkeeping and failure to hit the target meant it was not going to be our day.

Manager Danny Dolan, although disappointed to lose the game, was full of praise for his sides second half performance. He is hoping to take the positives into today's game.

Team; Greene, Shade (Kingston), Nurse, Dallimore, Vickers, Kinge, Thorne, Phillips (Fawcett), Denham, Coventry (Maclean), Hamilton.

## Today's Visitors

Fawley arrive at Barlow's Park today on the back of three victories in a row - the most recent being last week's 4-1 win away at Totton & Eling with goals from Steven Green, Declan Hartigan, Kieron Roche and Lee Burch.

Having struggled in the early weeks of the season and having been forced to play all their games away from home due to ground issues (now thankfully overcome), Fawley have climbed to 13th position in the table and some nine points behind ourselves.

Their relegation to Division One of the Wessex League was confirmed on the very last day of the season when, despite defeating Brockenhurst, the battle of the two teams immediately above them in Cowes Sports and Amesbury Town saw the former take the win to lift them out of the relegation zone - thus condemning Fawley to the drop.

Similarly to our recent visitors Verwood Town, who finished below them in last season's Premier Division,

Fawley are now in the process of embarking on the difficult task of rebuilding this season.

The club was formed as AGWI United in 1923 and joined the Hampshire League six seasons later. In 1949 they changed their name to Esso Fawley. They won Division Three of the Hampshire League in 1995 and reached the Premier Division in 1999.

In 2002 they changed their name again to Fawley AFC and joined Division Two of the Wessex League in 2005. In 2010 they finished as runners-up and were subsequently promoted to the Premier Division.

The village of Fawley is dominated by the Oil Refinery which has been there since 1921. It was rebuilt and extended in 1951 and is the largest of its kind in the United Kingdom.

Fawley AFC play their home games at Waterside Park, Long Lane, Holbury Southampton, SO45 2NP and are unsurprisingly known as 'The Oilers'.

## Editors Note - by Mike Warth

Good afternoon and welcome to Barlow's Park for today's Sydenhams Wessex League Division One match. A particularly warm welcome is extended to the players, officials and supporters of Fawley AFC and also to today's match officials.

It had to happen one day I suppose, but last week we lost our unbeaten league record with a 2-0 defeat away at Christchurch. It has always been a difficult fixture there and it proved to be a classic 'game of two halves' and whilst Christchurch admittedly had the better of the first half and netted twice, we stormed back in the second half but failed to take any of our opportunities.

Manager Danny Dolan, although disappointed with the result, was delighted with that second half performance and hopefully we can take the positives from it into today's game against an improving Fawley side - who have won their last three games. We will have to manage without striker George Hallahan however as he has decided to move onto pastures new at Andover Town and we all wish him well at his new club.

Results last week once again has shown that nothing can be taken for granted in this Division with any side being capable of sneaking the

points. The best example of this was at Verwood Town, who to be fair looked a decent side when we defeated them in our last home game, thrashed current league leaders Laverstock & Ford by 4-0. Another side above us, Romsey Town, were held to a 3-3 draw at US Portsmouth and AFC Stoneham were well beaten at Alton by 4-1. New Milton defeated Andover New Street 1-0 and there were also wins for Downton, 4-1 at East Cowes Vics; Whitchurch 2-0 at Hythe & Dibden and Ringwood Town, 4-2 at home to Follands Sports. All this should make our visit to Laverstock & Ford next Saturday a very interesting prospect.

**Our Reserves also suffered a defeat last Saturday, but gave a good account of themselves against current league leaders Gosport Borough. They eventually went down 5-3 with goals from Cian Condon (2) and Luke Yelland.**

Please note that you can also follow us on Twitter [@tadleycallevafc](#) for latest updates & news on all teams including future social events.

Our website has also went through a major re-design where you can find match reports, player data, archive programmes, club merchandise etc.

Barlow's Park is a modern football facility consisting of several pitches and a clubhouse.

The facilities, which include changing rooms and a board room, are also available to other local organisations.

Situated in Tadley on the Hampshire/Berkshire border, it is run by volunteers on a non-profit basis, to provide football amenities to the local community.

The Park is managed by the BPMA (Barlow's Park Management Association). Since taking over in September 2007 ongoing improvements have and continue to be made. The latest of which include pitch fencing, hard standing, flood lights and a club house.

# Daniels Magic Show!

Tadley Calleva 2 Verwood Town 0

*Sydenhams Wessex League Division One  
Saturday 30th September 2017*

We started brightly against lowly Verwood Town and should have taken the lead as early as the 7th minute after a defensive error allowed Brett Denham to slip a pass to the well placed Sam Hamilton but his effort cannoned back off the bar to safety.

Three minutes later, however, a superb through ball from Mario Nurse sent Paul Coventry clear, but he was hauled down by the advancing keeper Ben Daniels for a clear cut penalty. Coventry picked himself up and duly dispatched the spot kick into the corner of the net.

We continued to pepper the visitors goal with Paul Coventry going close to scoring his second when stabbing Brett Denham's cross just wide. Sam Hamilton again went close with a brilliant long range effort that keeper Daniels, at full stretch, touched onto the post. Daniels again denied Sam Hamilton from a long range effort - this time turning the ball behind for a corner.

It was fast becoming the Ben Daniels show after he pushed over a Alex Charlick strike .... an when he was beaten he was happy to see his defender block a Brett Denham shot on the line.

It was the same story after the break as we continued to press for that second goal that would give us a cushion. But it was Daniels who continued to deny us with a series of excellent saves - first he denied Sam Hamilton for the third time with a fine save and then keeping out Brett Denham.

The keeper was eventually beaten on the hour mark after the best move of the game involving Darryl Pillips and Sam Hamilton saw Brett Denham head home at the far post. Darryl Phillips almost added a third in the final minutes, but Daniels kept his effort out and Sam Hamilton followed up only to see his shot strike the post. Verwood offered very little throughout in a tough afternoon with James Guthrie firing wide with their best effort.

Manager Danny Dolan was happy with the team's performance , take all three points and keep our unbeaten league run going.

Team: Greene, Kingston, Nurse (Thomas), Walsh, Dallimore, Vickers, Hamilton (Thorne), Kinge, Denham , Coventry, (Phillips) Charlick, (Thomas)

# The History

## In brief

Tadley has had a football team since the early 1900's. In the modern era the team was re-formed in 1989 and played in the Basingstoke and North Hants Leagues before winning promotion to the Hampshire League.

The club was formed as Tadley F.C. in 1989. They joined the Hampshire League Division Three in 1994, finishing runners-up in 1995–96, gaining promotion to Division Two.

The club changed it's name to Tadley Town F.C. in 1999 and joined Division One upon re-organisation. In 2004, they changed their name to their present name and entered the Wessex Football League Division Three.

Division Three was re-named Division Two in 2006, and the club finished runners-up in 2007. In the 2007–08 season, they won the Wessex League Division One title but were denied promotion as their ground did not meet the requirements for the Premier Division. The Reserve side was also very successful in the same season by taking the Wessex Combination League title.

Since then the team has remained in Division One and has steadily been making progress on and off the field year on year. They narrowly missed out on promotion in 2014-15 and 2015-16 respectively by finishing in 3rd positions in both seasons.

In the 2010–11 campaign they reached the final of the Basingstoke Senior Cup losing to Thatcham Town 4–1. The club then went on to win the same cup in 2013-14 beating local rivals AFC Aldermaston 3-2 (aet) in the final. In September 2014, the club recorded probably the best result of its modern history, defeating Conference South Basingstoke Town on penalties in the Hampshire FA Senior Cup at the Soccer AM Stadium (formerly 'The Camrose') after a 2-2 draw in 90 minutes.

The club had it's best run in the FA Vase last season reaching the 3rd round proper before eventually being knocked out 4-2 after a replay and extra-time against Newport (IoW) from the Premier Division. They also reached the final of the North Hants Senior Cup last season losing out 3-1 to Premier Division side Whitchurch United - again at The Camrose.
