Saint Panteleimon

Today's Visitors

We welcome St Panteleimon to Barlow's Park today in Combined Counties League action and the first ever meeting between the two clubs. They will be in a confident mood today after an impressive 5-0 home league win over Windsor FC.

St Panteleimon are currently sitting second in the league table having suffered only one league defeat to date. They have scored an impressive 31 league goals with Ayjub Albadri and Ahmed Doukhi joint top scorers with six goals apiece. They appear to pose a goal threat from several positions, but hopefully we can cause an upset this afternoon and kick start our own season.

St Panteleimon is a young club in terms of history. The club was founded in May 2015 for the Greek Orthodox community in London. St Panteleimon initially competed in the KOPA League (Cypriot Football League of London) before joining the Middlesex Football League.

They entered the FA Vase for the first time in season 2018-19, beating Holmer Green 3-1 in their first match in September 2018. After winning the Premier Division of the Middlesex County League In 2018-19, the club

were promoted to Division One of the Spartan South Midlands League. The club were promoted to the Premier Division (North) of the Combined Counties League based on their results from the curtailed 2019-20 and 2020-21 seasons.

St Panteleimon currently groundshare with North Greenford United at Berkley Fields, Greenford, having previously played at The Hive Stadium and also groundsharing with Edgware Town at Silver Jubilee Park.

The fight is on...

Message from the Chairman...

First, I'd like to welcome you all to today's Combined Counties League match here at Barlows Park. An extended warm welcome to all St Panteleimon management, players, committee, their travelling fans and also to today's match officials.

I'd also like to introduce to you the new joint management team of Joe Lawler and Ben Dillon. Joe and Ben joined us from fellow Combined Counties League side Cove FC after we had interviewed a number of quality candidates. Both have a proven track record of managing other top sides in the area including Hartley Wintney and Badshot Lea respectively. They know what it will take to get us out of our current position and hopefully get us climbing up the table soon.

I can also confirm that they will be joined in the dug-out by George Coffin and Dean Hutchins. George returns to us as a first team coach having spent several months at former Wessex League rivals Amesbury Town. Dean also returns to the club as a first team coach. Dean was with us several seasons ago during our successful period under the management of Danny Dolan. Club physio Carolyn Tuttle has thankfully agreed to stay with us under the new management team.

Please join me and the rest of the committee in welcoming the new management team to the club by giving them your full support. I'd also like to put on record my sincere thanks to Danny Dolan and Steve Williams who agreed to step in and manage the side whilst we went through the interview process. They pass the baton on with a draw and a cup win under their belt.

At the time of writing this I am aware that we are in the process of strengthening the squad. Hopefully the signings went through in time for today's game and you are pleased with the quality of player we have on show?

We are under no illusions that we are in a fight for our survival, but we are also confident that we have the team in place to achieve that.

For regular and current updates you can also follow us on Twitter and Facebook.

Thank you for your continued support.

A sore one to take...

CB Hounslow United 2 Tadley Calleva 1
Combined Counties League - Premier Division (North)
Saturday 9th October 2021

We went into this match in a fairly buoyant mood. A well earned 2-2 league draw away at Windsor and a 4-1 home win over Whitchurch United in the North Hants Senior Cup were results and performances that were going to give us the platform we which to build from. The new management duo of Joe Lawler and Ben Dillon in the dug-out was an added incentive for us to get our season underway. Unfortunately, the afternoon didn't pan out as we had expected.

The home side did start the game the brighter of the two sides, but it didn't take long for us to start dominating the ball and creating several really good chances. Our first real opportunity on 10 minutes fell to James East, but his headed attempt from a Brad Neal long throw just slipped past the post. The home side were finding it particularly difficult to cope with our set pieces and debutant Scott Kinge saw his powerful header fly just over Zack Basey's crossbar. It looked to us as though it would only be a matter of time before we would find the breakthrough. We got a warning not to be complacent on 25 minutes when a long ball over the top forced Chris Wing into a magnificent save. We failed to heed the warning and a similar ball 5 minutes later saw Wing to come off his line to again make a good challenge. However, the ball broke to Hounslow's Sam Smith and his lobbed effort was handled on the line by the retreating Tom Walsh who was subsequently sent off. Fortunately for us Thomas Stanek's penalty kick was as far off the target as his sportsmanship throughout the 90 minutes.

Although now a man light we were still in the ascendancy and only a great diving save from Basey at the feet of Brad Neal prevented him from scoring a 'worldy' after he beat four men with a run from inside his own half. We still had time for one more great save from Basey, this time turning a powerful Kinge header over the bar. (HT 0-0)

We continued to press at the start of the second half, but fell behind to set piece goal on 57 minutes. A quick taken free kick was eventually crossed into our box and striker Luke Dunn was quick to react and lob Wing from 16 yards out. We reacted well and Brett Denham was next to test Basey but his strike was straight at the keeper. The home side should also have reduced to ten men after Sid Dack, already on a yellow, cynically took out Brad Neal on the half way line. Inexplicably the referee thought a talking to was all that was required. Unsurprisingly Dack was substituted only a few minutes later. We deservedly got back on level terms on 75 minutes when Connor Thorne drove the ball past Basey after Denham's initial shot was blocked. We looked like the side most likely to go on and win the game, Unfortunately, a very questionable penalty on the 6th minute of added on time meant that we ended up returning home with an undeserved defeat. (FT 1-2)

The History

Tadley has had a football team since the early 1900's. In the modern era the team was re-formed in 1989 and played in the Basingstoke and North Hants Leagues before winning promotion to the Hampshire League. The club was formed as Tadley F.C. in 1989. They joined the Hampshire League Division Three in 1994, finishing runners-up in 1995-96, gaining promotion to Division Two.

The club changed its name to Tadley Town F.C. in 1999 and joined Division One upon re-organisation. In 2004, they changed their name to their present name and entered the Wessex Football League Division Three.

Division Three was re-named Division Two in 2006, and the club finished runners-up in 2007. In the 2007-08 season, they won the Wessex League Division One title but were denied promotion as their ground did not meet the requirements for the Premier Division. The Reserve side was also very successful in the same season by taking the Wessex Combination League title.

Since then the team has remained in Division One and has steadily been making progress on and off the field year on year. They narrowly missed out on promotion in 2014-15 and 2015-16 respectively by finishing in 3rd position in both seasons.

In the 2010-11 campaign they reached the final of the Basingstoke Senior Cup losing to Thatcham Town 4-1. The club then went on to win the same cup in 2013-14 beating local rivals AFC Aldermaston 3-2 (aet) in the final. In September 2014, the club recorded probably the best result of its modern history, defeating Conference South Basingstoke Town on penalties in the Hampshire FA Senior Cup at The Camrose after a 2-2 draw in 90 minutes.

The club had its best run in the FA Vase in season 2015-16 reaching the 3rd round proper before eventually being knocked out 4-2 after a replay and extra-time against Newport (IoW) from the Wessex Premier Division.

They have also reached the final of the North Hants Senior Cup in the last two seasons; losing out 3-1 to local rivals Whitchurch United in 2016-17, again at The Camrose, and then 5-4 on penalties to Andover New Street in 2017-18 at Longmeadow after a 3-3 draw in normal time.

The club achieved its ambition of gaining promotion to the Wessex League Premier Division last season - the highest level (Step 5) that the club has competed at. The goal is to consolidate its position on the field and to make significant progress with the infrastructure off the field.
