# Double Top!

Tadley Calleva 2 Alresford Town 0

*Wessex League Premier Division  
Tuesday 19th February 2019*

Tadley Calleva welcomed rivals Alresford Town to Barlow's Park last Tuesday evening hoping to put the disappointment of the 4-2 defeat at the hands of Hamworthy United well and truly behind them. Having beaten the visitors back in September, we were looking to complete the double over the side sitting in 6th place.

Manager Danny Dolan having completed his two match suspension was expected back in the dug-out for this one, but unfortunately illness ruled him out. Steve Williams again took charge of the team - ably supported once again by Glenn Taylor and George Coffin.

The opening few minutes were a bit cagey as both teams appeared to be feeling each other out. The first opportunity fell to Tadley as a quick free kick saw Brett Denham head the ball to Danny Vickers, but his shot was superbly blocked by the Alresford defence.

Midway through the first half Tadley had a great chance to open the scoring when a through ball found Sam Hamilton running clear. As he tried to round the keeper the ball fell to Denham who couldn't get his effort on target - hitting the side netting.

Tadley were beginning to dominate the match and further long range efforts from Aaron Parfitt and Sam Hamilton flew over the crossbar.

Alresford's first real chance fell to Tadley 'old boy' Paul Coventry. A corner from the right was only partially cleared. It was returned into the path of Coventry who saw his looped effort hit the base of the post and out. Tadley eventually got the goal their first half display deserved. A chipped through ball from Parfitt found Danny Vickers on the run and he made no mistake as he looped his shot over Fredericks and into the net.

Alresford started the better of the sides during the second half after re-shuffling their formation. However, despite having more of the ball during the 2nd period, the visitors failed to trouble Freddie Gee. The Tadley defence was well marshalled by skipper Shaun Dallimore and coped well with Alresford's direct style. Tadley sealed the win with a 90th minute penalty. As Adam Pearson and Brett Denham contested a through ball, the defender pushed the ball away with his hand and Sam Hamilton made no mistake from the spot.

Steve Williams felt that his side were well worth the win after an excellent first half performance.

Team; Gee, Abrams, Nurse (Thomas), Walsh, Dallimore, Nicholls, Thorne, Vickers, Denham, Parfitt (Neller), Hamilton.

Not Used; Pettet, Phillips, Hallahan  
(Attendance 97)

## Today's Visitors

We faced today's opponents early in November in Lymington and were defeated convincingly by 4-1. Tim Stephenson, Jake King and two from Mike Gosney got the goals for the home side. Andrew Charsley got us a consolation goal that day. We will be hoping for a better result today.

The club can trace its roots back to 1876 when it started with a tent, balls, poles and flags - the minimum requirement in those far off days - and played on the site of the present ground. Little is recorded of the early years though they were long time members of the Hampshire League.

In 1986, playing as Lymington FC, they became founder members of the Wessex League and two years later merged with Wellworthy Athletic - who were based in the town - and became AFC Lymington.

The club enjoyed considerable success in the 1990's before moving to Fawcetts Field in New Milton in 1998 and amalgamating with the local club to form Lymington & New Milton FC. However, this merger was not to the liking of many of the local people so Lymington Town was formed with their base still at the Sports Ground.

After something of a battle with the football administration, the club were allowed into the Hampshire League Division Three with David Peach, a member of Southampton's 1976 FA Cup winning side as the manager.

Progression through the leagues followed until acceptance into the Wessex League at the end of the 2003-04 season. They quickly reached the Premier Division and won the League Cup in 2007 and they have remained in the top Division to this day.

Earlier in the season they hosted Torquay United in an impressive FA Cup run which was shown live on the BBC. Unfortunately their run came to an end as Torquay ran out 7-0 winners.

Last season they finished in 8th position in the Premier Division with Sam House their top scorer with an impressive 23 league goals.

They play their home games at The Sports Ground, Southampton Road, Lymington SO41 9ZG, and are affectionately known as 'The Town' by their loyal band of supporters.

## Editors Note

Good afternoon and welcome to Barlow's Park for today's Wessex Premier Division match. A particularly warm welcome is extended to the players, officials and supporters of Lymington Town and also to today's match officials.

It's the second time we've welcomed Lymington to Barlow's Park this season after our previous fixture in December was postponed by the match referee an hour before kick-off. It was particularly disappointing for both sides as the pitch had been passed fit during an official inspection earlier in the day and Lymington had made the long journey.

We will be looking to get back to winning ways today after the frustration of the 3-1 loss to Brockenhurst last Saturday. It was particularly disappointing as we had created plenty opportunities to stamp our authority on the game, but ultimately failed to capitalise.

We have made excellent progress in our first season at the higher level and a consistent run of results should help us consolidate our position for the start of next season - hope we start today.

Our visitors today will also be looking for a vital win as both sides are now on the same points total. They drew 2-2 with Alresford Town last Saturday with Jake King and Ashley Jarvis scoring the goals.

Lymington have also strengthened their squad in recent weeks with the signing of Steve Flynn from Bournemouth and Mickey Finche from Hamworthy so today's match will be a very tough encounter.

There were some interesting results in the Premier Division last weekend. Bottom side Andover New Street defeated Portland United by 3-2 and Cowes Sports beat Bashley by 4-3. Vital wins for both of these clubs. Christchurch gained a valuable point in their 1-1 draw with Horndean. Bemerton Heath Harlequins drew 1-1 away at Baffins Milton Rovers and Fareham Town drew 2-2 with AFC Portchester. We dropped three places in the league table as a consequence but, as can be seen, its getting very tight as we enter the final quarter of the season.

Our Reserve side drew 1-1 away at Clanfield in the Wyvern Combination League last Saturday - a result that lifts us to fourth in the table. Unfortunately our A side went out at the semi-final stage of the North Hants Junior Cup after a 4-3 defeat to local rivals AFC Aldermaston.

Barlow's Park is a modern football facility consisting of several pitches and a clubhouse.

The facilities, which include changing rooms and a board room, are also available to other local organisations.

Situated in Tadley on the Hampshire/Berkshire border, it is run by volunteers on a non-profit basis, to provide football amenities to the local community.

The Park is managed by the BPMA (Barlow's Park Management Association). Since taking over in September 2007 ongoing improvements have and continue to be made. The latest of which include pitch fencing, hard standing, flood lights and a club house.

# Opportunity Missed!

Tadley Calleva 1 Brockenhurst 3

*Sydenhams Wessex League Premier Division  
Saturday 23rd February 2019*

Tadley Calleva welcomed Brockenhurst to Barlow's Park looking to make it two home wins in a row after defeating Alresford Town by 2-0 in midweek. The opportunity to move up to eighth place in the table and also put some daylight between ourselves and our opponents was an added incentive.

Manager Danny Dolan made a few changes to his side with Shemar Pettet, Kallum Thomas and Luke Neller coming in and Chad Abrams, Mario Nurse and Jake Nicholls moving onto the bench.

Tadley started the game well and we were looking the more dangerous in the first twenty minutes. Sam Hamilton went close after good work from Aaron Parfitt. Our best chance in the opening period fell to Luke Neller. After some good build up play between Shemar Pettet and Connor Thorne, Neller was found on the edge of the area but his shot went just wide of the target.

Unfortunately, against the run of play, the visitors opened the scoring. A cross ball from our left looked to be covered by the Tadley defence, but Brockenhurst's Matt Casey got the deftest of touches to steer the ball wide of Freddie Gee into the far corner of the net.

Although this was a bit of a set back, we were back on the offensive from the re-start and a left foot drive from Kallum Thomas flew wide of Matt Taylor's goal.

Brockenhurst scored their second of the match after we carelessly gave the ball away on the half way line.. However, no one could argue with the finish. The ball fell to Leon Carbayo-Borges and his clever back heel fell nicely into the path of Mo Nyang and his first time strike flew into the top corner leaving Freddie Gee with no chance. We did get a goal back on the stroke of half time when, after a bit of a scramble following a corner, the ball fell to Aaron Parfitt and he made no mistake with a left foot drive from 12 yards out.

The goal appeared to give us the lift we needed at the start of the second half. We dominated the ball and put the visitors under severe pressure as we sought out the equaliser. Our best chance to get on level terms fell to Brett Denham as he found himself with space in the box. However, his shot was saved by Taylor with his feet and Connor Thorne fired the rebound over the bar.

With time running out manager Danny Dolan threw extra men forward in search of a point, but unfortunately Brockenhurst held out and caught us on the break to make it 3-1. Nyang scoring his second of the match.

Team; Gee, Walsh, Pettet, Thomas, Parfitt, Dallimore, Walsh, Thorne, Neller (Nicholls), Denham (Hallahan), Hamilton (Abrams), Vickers  
Not Used; Nurse, Alliston.  
(Attendance 69)

# The History

## In brief

Tadley has had a football team since the early 1900's. In the modern era the team was re-formed in 1989 and played in the Basingstoke and North Hants Leagues before winning promotion to the Hampshire League. The club was formed as Tadley F.C. in 1989. They joined the Hampshire League Division Three in 1994, finishing runners-up in 1995-96, gaining promotion to Division Two.

The club changed its name to Tadley Town F.C. in 1999 and joined Division One upon re-organisation. In 2004, they changed their name to their present name and entered the Wessex Football League Division Three.

Division Three was re-named Division Two in 2006, and the club finished runners-up in 2007. In the 2007-08 season, they won the Wessex League Division One title but were denied promotion as their ground did not meet the requirements for the Premier Division. The Reserve side was also very successful in the same season by taking the Wessex Combination League title.

Since then the team has remained in Division One and has steadily been making progress on and off the field year on year. They narrowly missed out on promotion in 2014-15 and 2015-16 respectively by finishing in 3rd positions in both seasons.

In the 2010-11 campaign they reached the final of the Basingstoke Senior Cup losing to Thattham Town 4-1. The club then went on to win the same cup in 2013-14 beating local rivals AFC Aldermaston 3-2 (aet) in the final. In September 2014, the club recorded probably the best result of its modern history, defeating Conference South Basingstoke Town on penalties in the Hampshire FA Senior Cup at The Camrose after a 2-2 draw in 90 minutes.

The club had its best run in the FA Vase in season 2015-16 reaching the 3rd round proper before eventually being knocked out 4-2 after a replay and extra-time against Newport (IoW) from the Wessex Premier Division.

They have also reached the final of the North Hants Senior Cup in the last two seasons; losing out 3-1 to local rivals Whitchurch United in 2016-17, again at The Camrose, and then 5-4 on penalties to Andover New Street in 2017-18 at Longmeadow after a 3-3 draw in normal time.

The club achieved its ambition of gaining promotion to the Wessex League Premier Division last season - the highest level (Step 5) that the club has competed at. The goal is to consolidate its position on the field and to make significant progress with the infrastructure off the field.
