Hard Earned 3 points...

Report by Steve Williams

Tadley Calleva 2 Wokingham & Emmbrook 0
Combined Counties League - Premier Division (North)
Saturday 19th March 2022

Another victory, another clean sheet. With 22 points from 27 in the last nine games, Tadley Calleva rose to 11th place in the league table. It took two goals from Ben Wright to secure the latest win.

A gusting wind made for a scrappy game with both sides struggling to find any rhythm. Tadley enjoyed the better of the first half with the home defence comfortable and, with the wind blowing down the pitch from the clubhouse end, keeper Craig Atkinson was alert to any long through balls. Visiting keeper Sean Woodward thwarted Brett Denham and fellow striker Wright in quick succession after 15 minutes. And, on the half hour, Woodward brilliantly denied a close range shot from Brad Neal with Kalum Cousins hitting the follow up off the bar from a tight angle. But on 36 minutes, Wright picked up the ball 30 yards from goal, turned quickly and sent a powerful screamer past the despairing dive of Woodward. Just before half time, a typical raking pass from Aaron Parfitt released Denham on the left who made up ground quickly only to see his finish deflected just around the post from Woodward's outstretched foot. From Parfitt's resulting in-swinging corner, Woodward surprisingly spilled the ball on the line for a grateful Wright to finish from a yard out. (HT 2-0)

In the second half, the blustery conditions continued to affect the game. The visitors, kicking into the wind, showed more spirit and accuracy with a stronger performance coming from some lively substitutions.

The Tadley defence was extended, but held firm helped by keeper Atkinson bravely intercepting a dangerous through pass just outside his box like a seasoned centre back. As the visitor's threat increased late on, Atkinson blocked a close range shot in added on time with his foot and Andrew Charsley was on hand to clear the follow up off the line. The visiting fans expressed frustration at their team's apparent regular inability to score. Opportunities for Tadley during the second half were a bit more limited. Wright headed a cross just over the bar, Jack French rounded the keeper but, from a very tight angle, could only find the side netting and Denham, breaking on the left, was denied by keeper Woodward when his option for crossing to Cousins was cut off. (FT 2-0)

Overall, this was a deserved and hard earned victory in very difficult conditions plus the absence of the in-form but unavailable Callum Cleary. Among the three second half substitutions, Jordan Goater made a brief but welcome appearance after a long lay-off due to injury.

The management team were obviously delighted with the result as it surely guarantees our safety at Step 5 level for next season.

Windsor F.C.

Tonight's Visitors

We welcome Windsor FC to Barlows Park tonight in the return league fixture played back in October. We left Stag Meadow with a share of the points after a very competitive 2-2 draw. Ex-manager Danny Dolan took charge of the team that day after manager Gareth Thomas had decided to step down the week before. Brett Denham and Jordan Goater were on target for Tadley with Charlie Jagers and Lindell Stewart replying for 'The Royalists'. Tonight's encounter will hopefully be as equally competitive.

The new club of Windsor FC was founded in 2011 and placed into the Combined Counties Football League Premier Division. In their first season Windsor FC finished as runners-up, only one point behind champions Guildford City, and reached the Berks & Bucks Senior Trophy semi-final eventually losing out on penalties to Abingdon Town.

The following season Chairman Kevin Stott made the decision to remove the playing budget for the foreseeable future, stating that "the club has already lost its way" The decision was made after Stott attended the 2012 London Olympic Games and was humbled by the determination and passion of the Olympians. Stott decided that the focus had to be shifted from paying players to win games at grass-roots level to inspiring youth to be determined to win through passion and loyalty. With the budget removed, manager Keith Scott, assistant Jim Melvin and the playing squad were offered the chance to stay and play under the new terms or move on.

The management team and the majority of the squad decided to move on, their last game together being the First Qualifying Round of the FA Cup against Didcot Town.....after the club had made its debut in the competition starting in the Extra Preliminary Qualification Round.

Mick Woodham stepped into the management void and began to build a squad. After steadying the ship, Woodham's young squad finished 8th in the table. The following season Woodham's boys finished in the top six and also won Windsor FC's first ever trophy, beating Reading Town 3-0 at Chesham United to lift the Berks & Bucks Senior Trophy.

In season 2014-15, Woodham led his developing team to a second Berks & Bucks Senior Trophy final win, this time defeating Flackwell Heath by 3-2 (AET) in a pulsating game at Burnham FC. Windsor also finished the season in 5th place of the CCL Premier Division Season 2015-16 was seen as a transition season with many of Woodham's original team moving to Step 4 clubs, eventually finishing 12th in the league table. The following season they went one better by finishing in 11th position.

In 2017-18 the Windsor FC was moved into the Hellenic League Premier Division and current manager Mark Cooper was appointed at the end of season 2018-19. At the end of the COVID hit 2020-21 season the club was transferred back into the Combined Counties League Premier Division (North).

Top Ten Target...

From the 'dugout'

Good evening everyone. An extended warm welcome to all Windsor FC management, players, committee, their travelling fans and also to tonight's match officials.

With only five games of this season left to play, we can now relax a little with respect to a possible relegation. The main objective of keeping us at Step 5 level appears to have been achieved. However, seeing us finish in the top ten in the table is our new target.

For us in the dug-out this is just the beginning of the task ahead. Keeping us in this division was the main aim when we took the job, but we are now planning for the future....looking towards pre-season and next season in preparation of a good fast start.

In recent weeks we have been on a really good run. A point away to Ascot United was a good point to get. Although our performance in the first half was poor as we didn't look after the ball well enough when in possession, the spirit the team showed in the second half was very pleasing for us to see. We dug in deep and came away with a deserved point.

We won't play perfectly every week, however we are striving for more consistency by having a balance of being good in possession and digging deep with our work rate. Hopefully this will come through in tonight's game

Within the camp we are all very happy. The group is very excited for what the future may hold. We also would like to welcome into tonight's squad new signing Ian Jones. 'Jonah' has achieved huge success at these levels in the past with us and we are delighted to have him with us in readiness for next season.

Tonight's match is going to be very competitive. Windsor are a very good side and we acknowledge we are in for tough game.

We hope you all enjoy the game and that Tadley come out on top.

Welcome to Barlows Park —

Home to Tadley Calleva FC

Barlow's Park is a modern football facility consisting of several pitches, changing rooms and a clubhouse bar.

The facilities, which include 6 changing rooms and a board room, are also available for hire by other local organisations.

Situated in Tadley on the Hampshire/Berkshire border, it is run by volunteers on a non-profit basis, to provide football amenities to the local community.

The Park is managed by the BPMA (Barlow's Park Management Association). Since taking over in September 2007 ongoing improvements have and continue to be made in partnership with Tadley Calleva FC.

The latest of which include a new 130 seated stand, 2 covered standing areas, new floodlights and an extension to the clubhouse bar.

Second Half Fightback...

Report by Steve Williams

Ascot United 2 Tadley Calleva 2
Combined Counties League - Premier Division (North)
Saturday 12th March 2022

Fresh from their midweek cup victory over Wycombe Wanderers, the home side were confident but concerned that their exertions may have taken its toll. With a league and cup double over us at Barlows Park to their credit, Ascot exerted dominance from the kick-off and were better in all departments from the outset. They were posing us consistent threats through left sided wide player Duarte Surpanu and central striker Taylor Morgan. For Tadley, full back Aiden Harris was prominent with an early lengthy forward run and also working hard to contain the lively Surpanu. On 10 minutes, Keaton August received the ball 30 yards out and struck a powerful rising shot into the top right hand corner leaving Craig Atkinson with no chance. Still Tadley were laboured, with sloppy passing and no real penetration, hampered by a dead leg picked up by striker Ben Wright during the warm-up. This was a strange contrast to the flowing football Tadley had been playing in recent weeks. The only product going forward was two pretty tame shots and a fine driven cross by Brett Denham which just eluded Kalum Cousins closing in at the far post. Tadley had to work hard to absorb the wave of Ascot attacks, but were eventually undone in the 34th minute when Josh Masters crossed for Taylor Morgan to side foot home from 4 yards. (HT 2-0)

Joint Managers Ben Dillon and Joe Lawler sent out unchanged personnel for the second half, but changed to a 4-3-3 formation with Cousins and Denham either side of central striker Ben Wright. In the 54th minute, midfielder Jack French, on the edge of the penalty area,

swept a curling left foot shot high on target that home keeper Sam Gray got a hand to but failed to stop it clearly crossing the line.....confirmed by the Assistant's flag. Conceding this goal, bickering with the match officials and perhaps a degree of complacency seemed to adversely affect the quality of Ascot's play. Suddenly a spirited Tadley side were on top. Soon after the Tadley goal an injured Aaron Parfitt was replaced in midfield by Scott Kinge. Two strong penalty claims for either side were turned down by the referee. Denham losing out from a Tadley perspective. Ascot were being put under some pressure, but still found time to see James Richardson's left foot drive hit the inside of the post before bouncing to safety. The composed Atkinson was called upon to deal comfortably with several crosses and to make a save at the feet in one attack. In the 63rd minute, Ben Wright was replaced by Callum Cleary. By now the Tadley midfield were making an impact with French doing very good work in midfield along with Darboe and Kinge. On 80 minutes, it was the two Tadley substitutes who combined for the equaliser. Kinge neatly chipped a 15 yard through ball for Cleary to touch first time past the out rushing Gray. (FT 2-2)

Team; Atkinson, Harris (sub 81' Vockins), Walsh (C), Neal, Maylen, Cousins (sub 87' Goater), Parfitt (sub 55' Kinge), Darboe, Denham, Wright (sub 63' Cleary), French.

The History

Tadley has had a football team since the early 1900's. In the modern era the team was re-formed in 1989 and played in the Basingstoke and North Hants Leagues before winning promotion to the Hampshire League. The club was formed as Tadley F.C. in 1989. They joined the Hampshire League Division Three in 1994, finishing runners-up in 1995-96, gaining promotion to Division Two.

The club changed its name to Tadley Town F.C. in 1999 and joined Division One upon re-organisation. In 2004, they changed their name to their present name and entered the Wessex Football League Division Three.

Division Three was re-named Division Two in 2006, and the club finished runners-up in 2007. In the 2007-08 season, they won the Wessex League Division One title but were denied promotion as their ground did not meet the requirements for the Premier Division. The Reserve side was also very successful in the same season by taking the Wessex Combination League title.

Since then the team has remained in Division One and has steadily been making progress on and off the field year on year. They narrowly missed out on promotion in 2014-15 and 2015-16 respectively by finishing in 3rd position in both seasons.

In the 2010-11 campaign they reached the final of the Basingstoke Senior Cup losing to Thatcham Town 4-1. The club then went on to win the same cup in 2013-14 beating local rivals AFC Aldermaston 3-2 (aet) in the final. In September 2014, the club recorded probably the best result of its modern history, defeating Conference South Basingstoke Town on penalties in the Hampshire FA Senior Cup at The Camrose after a 2-2 draw in 90 minutes.

The club had its best run in the FA Vase in season 2015-16 reaching the 3rd round proper before eventually being knocked out 4-2 after a replay and extra-time against Newport (IoW) from the Wessex Premier Division.

They have also reached the final of the North Hants Senior Cup in the last two seasons; losing out 3-1 to local rivals Whitchurch United in 2016-17, again at The Camrose, and then 5-4 on penalties to Andover New Street in 2017-18 at Longmeadow after a 3-3 draw in normal time.

The club achieved its ambition of gaining promotion to the Wessex League Premier Division last season - the highest level (Step 5) that the club has competed at. The goal is to consolidate its position on the field and to make significant progress with the infrastructure off the field.
