# Worthy Winners!

Tadley Calleva 2 Hamworthy United 4

*Sydenhams Wessex League Premier Division  
Saturday 16th February 2019*

Tadley welcomed Hamworthy United for the first time to Barlow's Park in a confident mood after a fantastic midweek draw away at AFC Portchester. Steve Williams was again in charge as manager Danny Dolan served the second of his two match suspension.

There was one change from midweek with Brett Denham unable to recover from the injury he sustained at Portchester and Darryl Phillips came into the side.

Hamworthy were on a decent run of form themselves after winning five of their last six matches moving up to 6th place in the table, so we knew that this was going to be a very difficult game despite it being at home.

Similar to the Portchester match, Tadley started the better of the two sides. With only two minutes gone, Chad Abrams and Connor Thorne linked up well for Abrams to send his cross over for Sam Hamilton to head narrowly over the bar. Most of us in the ground definitely thought Sam had put us ahead!

However, it was Hamworthy who opened the scoring. Luke Stone found himself free at the far post from a free kick and his cut back was headed home by the unmarked Nathan Walker who had stayed up from the free kick. Tadley responded quickly and a strong Shaun Dallimore header was superbly saved by Hamworthy goalkeeper Tom Rees

Tadley didn't have to wait long to get back on level terms though. Sam Hamilton kept the ball alive in the Hamworthy box and his excellent cross picked out Danny Vickers to head home from six yards out.

The home crowd were getting frustrated as the visitors appeared to be getting away with a few robust challenges. Cann was fortunate to only receive a yellow for an elbow on Shaun Dallimore as he attempted to head the ball clear. And it was Cann who was then instrumental in Hamworthy taking the lead on the stroke of half time. His driven cross was deflected into the path of Stone who made no mistake at the far post.

Losing the goal on the stroke of half time had an obvious adverse effect on the side and we conceded a scrappy third goal ten minutes after the break. We were then punished further as Stone broke away to score his second of the match. We did give ourselves a slight glimmer of hope as George Hallahan played in Shemar Pettet to prod the ball past Rees with fifteen to go. However, although we pushed hard for the third it didn't come and Hamworthy seemed content to see the game out.

Team; O'Brien, Abrams, Nurse, Nicholls (Neller), Dallimore,, Walsh, Thorne (Pettet), Parfitt, Phillips (Hallahan), Hamilton, Vickers.  
Not Used; Thomas, Maylen  
(Attendance 78)

## Today's Visitors

We travelled to Brokenhurst back in August and came away with a 1-0 win in a very evenly matched contest - Sam Hamilton grabbed the only goal of the game ten minutes from time. The sides are only separated by two points so this should be an equally tight match.

Our only previous meetings were way back in the 2012-13 season when they were crowned Division One Champions. Both our league matches were fairly tight affairs. We drew 0-0 at Barlow's Park with Brockenhurst winning 2-1 at The Meadens Skoda Arena - Michael Spinney with two for the hosts and Jason Graham scoring for Tadley

The club was founded in 1898 and were founder members of the New Forest League which they won on five occasions. Following the First World War the club played in the Bournemouth League and had three seasons in the Hampshire League before returning to local football. They returned to the New Forest League before re-joining the Hampshire League in the mid-thirties.

In 1951 they moved to their present ground - the seventh since the club's formation. They were Hampshire League Division Three Champions in 1960 and progressed to Division One - as well as winning

the Hampshire Intermediate Cup. After relegation, they returned to the Premier Division in 1971 and went down by 1-0 to Alton Town in the Hampshire Senior Cup Final a year later.

They won Division One in 1976 and ten years later were founder members of the Wessex League. Non-League Kingstonian Town were beaten in the FA Cup in 2002 and three years later reached the 3rd Qualifying Round before bowing out to Bath City.

In 2011 they were relegated from the Premier Division for the first time, but the exile lasted two seasons (and in both those seasons the club reached the final of the Wessex League Cup). They ensured promotion and the First Division Championship on the final Saturday of the 2012-13 season.

Last season Brockenhurst finished in 13th position in the Wessex League Premier Division and their top scorer was Mitchell Speechley-Price with 17 league goals.

The club play their home matches at Meadens Skoda Arena, Brockenhurst, SO42 7RE. They are affectionately known as 'The Badgers' by their loyal band of supporters.

## Editors Note

Good afternoon and welcome to Barlow's Park for today's Wessex Premier Division match. A particularly warm welcome is extended to the players, officials and supporters of Brockenhurst and also to today's match officials.

We go into today's match after an excellent 2-0 win over rivals Alresford Town. Goals from Danny Vickers and a Sam Hamilton penalty secured a well deserved three points. If anything, we probably just need to find a bit of consistency and the belief that we can go on a good run. We were disappointed to go down 4-2 at home to Hamworthy last Saturday - so we will want to put in a good performance this afternoon.

Brockenhurst will also come into this match with a degree of confidence after defeating Hamble Club by 2-1 at home last Saturday. The reverse fixture back in August was a pretty even match - although we did come away with a 1-0 win.

Other midweek results saw Team Solent secure a much needed three points with an impressive 4-1 home win over Portland United on Monday night.

Tuesday's fixtures saw the much improved Lymington Town (our opponents next Saturday) continue with their good form by demolishing AFC Portchester by 5-0. Hamworthy United lost by 5-3

at home to Hamble Club after leading 3-1 at the break and finally, Fareham Town and Baffins Milton Rovers shared the points in a 1-1 draw at Cams Alders.

Our next two fixtures (after today) are also at home against Lymington Town and Bournemouth respectively. We will obviously be looking to capitalise on our home games to secure our position in the Premier Division for next season. You may also notice some ground improvements works going on? We are bulding two covered standing areas each side of the stand as well as extending the current seating area to accomodate over 100 spectators - therefore your contnued and valuable support is needed and fully appreciated.

As highlighted in our midweek Programme; our Reserve team skipper Charlie Cunningham suffered a triple leg break in the match against Alton last Saturday. Fortunately Charlie is out of hospital now and, with no further operation anticipated, is now recovering at home. We all wish Charlie a speedy and full recovery.

Barlow's Park is a modern football facility consisting of several pitches and a clubhouse.

The facilities, which include changing rooms and a board room, are also available to other local organisations.

Situated in Tadley on the Hampshire/Berkshire border, it is run by volunteers on a non-profit basis, to provide football amenities to the local community.

The Park is managed by the BPMA (Barlow's Park Management Association). Since taking over in September 2007 ongoing improvements have and continue to be made. The latest of which include pitch fencing, hard standing, flood lights and a club house.

# Double Top!

Tadley Calleva 2 Alresford Town 0

*Sydenhams Wessex League Premier Division  
Tuesday 19th February 2019*

Tadley Calleva welcomed rivals Alresford Town to Barlow's Park last Tuesday evening hoping to put the disappointment of the 4-2 defeat at the hands of Hamworthy United well and truly behind them. Having beaten the visitors back in September, we were looking to complete the double over the side sitting in 6th place.

Manager Danny Dolan having completed his two match suspension was expected back in the dug-out for this one, but unfortunately illness ruled him out. Steve Williams again took charge of the team - ably supported once again by Glenn Taylor and George Coffin.

The opening few minutes were a bit cagey as both teams appeared to be feeling each other out. The first opportunity fell to Tadley as a quick free kick saw Brett Denham head the ball to Danny Vickers, but his shot was superbly blocked by the Alresford defence.

Midway through the first half Tadley had a great chance to open the scoring when a through ball found Sam Hamilton running clear. As he tried to round the keeper the ball fell to Denham who couldn't get his effort on target - hitting the side netting.

Tadley were beginning to dominate the match and further long range efforts from Aaron Parfitt and Sam Hamilton flew over the crossbar.

Alresford's first real chance fell to Tadley 'old boy' Paul Coventry. A corner from the right was only partially cleared. It was returned into the path of Coventry who saw his looped effort hit the base of the post and out. Tadley eventually got the goal their first half display deserved. A chipped through ball from Parfitt found Danny Vickers on the run and he made no mistake as he looped his shot over Fredericks and into the net.

Alresford started the better of the sides during the second half after re-shuffling their formation. However, despite having more of the ball during the 2nd period, the visitors failed to trouble Freddie Gee. The Tadley defence was well marshalled by skipper Shaun Dallimore and coped well with Alresford's direct style. Tadley sealed the win with a 90th minute penalty. As Adam Pearson and Brett Denham contested a through ball, the defender pushed the ball away with his hand and Sam Hamilton made no mistake from the spot.

Steve Williams felt that his side were well worth the win after an excellent first half performance.

Team; Gee, Abrams, Nurse (Thomas), Walsh, Dallimore, Nicholls, Thorne, Vickers, Denham, Parfitt (Neller), Hamilton.

Not Used; Pettet, Phillips, Hallahan  
(Attendance 97)

# The History

## In brief

Tadley has had a football team since the early 1900's. In the modern era the team was re-formed in 1989 and played in the Basingstoke and North Hants Leagues before winning promotion to the Hampshire League. The club was formed as Tadley F.C. in 1989. They joined the Hampshire League Division Three in 1994, finishing runners-up in 1995-96, gaining promotion to Division Two.

The club changed its name to Tadley Town F.C. in 1999 and joined Division One upon re-organisation. In 2004, they changed their name to their present name and entered the Wessex Football League Division Three.

Division Three was re-named Division Two in 2006, and the club finished runners-up in 2007. In the 2007-08 season, they won the Wessex League Division One title but were denied promotion as their ground did not meet the requirements for the Premier Division. The Reserve side was also very successful in the same season by taking the Wessex Combination League title.

Since then the team has remained in Division One and has steadily been making progress on and off the field year on year. They narrowly missed out on promotion in 2014-15 and 2015-16 respectively by finishing in 3rd positions in both seasons.

In the 2010-11 campaign they reached the final of the Basingstoke Senior Cup losing to Thattham Town 4-1. The club then went on to win the same cup in 2013-14 beating local rivals AFC Aldermaston 3-2 (aet) in the final. In September 2014, the club recorded probably the best result of its modern history, defeating Conference South Basingstoke Town on penalties in the Hampshire FA Senior Cup at The Camrose after a 2-2 draw in 90 minutes.

The club had its best run in the FA Vase in season 2015-16 reaching the 3rd round proper before eventually being knocked out 4-2 after a replay and extra-time against Newport (IoW) from the Wessex Premier Division.

They have also reached the final of the North Hants Senior Cup in the last two seasons; losing out 3-1 to local rivals Whitchurch United in 2016-17, again at The Camrose, and then 5-4 on penalties to Andover New Street in 2017-18 at Longmeadow after a 3-3 draw in normal time.

The club achieved its ambition of gaining promotion to the Wessex League Premier Division last season - the highest level (Step 5) that the club has competed at. The goal is to consolidate its position on the field and to make significant progress with the infrastructure off the field.
