# Paying the Penalty!

Tadley Calleva 2 Bashley 3

*Sydenhams Wessex League Premier Division  
Saturday 5th January 2019*

If ever a game changed after a refereeing decision then this was it. Tadley went into an early lead as George Hallahan converted a spot kick after Danny Vickers was felled in the Bashley box and we appeared to be in total control of the match. Luke Neller and Connor Thorne both tested Callum Ward in the Bashley goal whilst Freddie Gee had little to face. The closest the visitors came was from a free-kick 20 yards from goal which flew high and wide.

However, in added first half time, the referee pointed to the spot after he thought he saw an infringement in our penalty area. After home protests, he was so unsure that he then consulted his Assistant. The Assistant could be heard clearly saying that he didn't see a foul as Andrew Charsley had visibly won the ball, but to the amazement of the home crowd the referee awarded a penalty anyway. Bradley Strickland stepped up and slotted the ball past Freddie Gee to make it 1-1 and the sides went in level at half time.

We definitely felt a sense of injustice and feelings were running high as we came out for the second half. It took just 5 minutes for us to regain the lead. Ward failed to hold on to a shot from Danny Vickers and the in-form George Hallahan was on hand to slam the ball home to make it 2-1.

We also found out that keeper Freddie Gee dislocated his thumb at the penalty but, as we had no substitute keeper on the bench, he agreed to play on.

I would say we looked pretty comfortable with neither side creating any clear cut opportunities. However, it appeared as though our previous protestations to the referee were now having an effect as many of the 50-50 decisions looked to go to the visitors - much to the frustration of the home support.

It was still a shock when Bashley made it 2-2. Striker Cameron Beard hit a shot from outside the box which slipped under the body of Gee as he made the dive to keep it out .... and it was a further shock when Bashley struck the winner 6 minutes from time. Beard got himself clear at the far post and scored from close range . With time running out we went all out for the equaliser and nearly pulled it off only for a Danny Vickers shot to go narrowly over the bar - No points and definitely a sense of injustice in the camp.

Team; Gee, Abrams, Thomas, Charsley, Walsh, Nicholls, Thorne (Pettet), Vickers, Denham, Hallahan (George), Neller (Hamilton)

Not Used; Alliston, Nurse, Pearson  
(Attendance 95)

# Baffins Milton Rovers

## Today's Visitors

This will be the third meeting between the sides this season. We met at Barlow's Park back in August in the Preliminary Round of the FA Cup when Baffins were victorious by 3-1. Paul Coventry opened the scoring for us that day with goals from Ashton Leigh, Blu Boam and Max Davies replying for the visitors.

In October we travelled to the PMC Stadium in Wessex League action and came away with a share of the points after a 2-2 draw. Ashton Leigh and Shane Cornish put Baffins 2-0 up after 5 minutes before two second half goals from Sam Hamilton and Shaun Dallimore rescued a point for us.

Founded in 2011, Baffins Milton Rovers FC are a newly founded club from Portsmouth. The club was originally set up as two Sunday sides, Milton Rovers and Baffins Milton, both of which found success in the Portsmouth Dockyard League and Meon Valley League over many years.

The club was formed by Yvonne Fradgley-Smith who remains at the heart of today's visitors. Yvonne has put her heart & soul into the rise of Baffins Milton Rovers and whilst others have come in to drive the club to the position they are today, it must be noted that, without Yvonne, Baffins Milton Rovers FC would not exist.

During the 2015/16 season, the club obtained a grant to secure new floodlights that provided the platform for entry into higher level football, Step Six criteria. This allowed Baffins Milton Rovers FC to progress into the Wessex League.

Baffins Milton Rovers FC were rewarded with immediate promotion to the Premier Division and a cup final appearance all within their first season. A great achievement from all involved.

Baffins Milton Rovers are a local club with 100% players living within the Portsmouth area, funded by Portsmouth businesses, controlled and operated by people within the Portsmouth area, a true community club that will continue its successful growth for years to come.

Further honours include the Hampshire Premier League title in 2013/14 & 2015/16, Hampshire League Cup winners 2013/14, Portsmouth Saturday League title 2011/12 & Portsmouth Senior Cup Winners in 2013/14 & 2015/16

The club play at the PMC Stadium in Portsmouth. Last season BMRFC finished in 9th position of the Wessex Premier Division.

## Editors Note

Good afternoon and welcome to Barlow's Park for today's Wessex Premier Division match. A particularly warm welcome is extended to the players, officials and supporters of Baffins Milton Rovers FC and also to today's match officials.

Firstly, everyone at the club would like to pass on our sincere condolences to the family and friends of Roland 'Roley' Brooks who sadly passed away last weekend. Roley was well known to everyone at the club and a keen supporter of the team, home and away, over a number of seasons. He was also an ardent supporter of Portsmouth FC and will be sadly missed.

We will go into today's game feeling confident after last week's 2-2 draw with high flyers Portland United, but we also know we are in for a tough test this afternoon - Brett Denham and George Hallahan with the goals last Saturday. A late penalty decision deep into injury time prevented us from taking all three points!

Our visitors also drew 2-2 at home last Saturday. They were 2-1 up against Alresford Town (our opponents at Barlow's Park on Tuesday night) before conceding late on - Jason Parish and Owen Haly with the goals for Baffins. They also had a convincing 4-0 home win against Alton in the Wessex League Cup on Tuesday evening.

We have met today's opponents earlier in the season. They ran out 3-1 winners in our FA Cup tie and we drew 2-2 at the PMC Stadium in the league - Sam Hamilton and Shaun Dallimore with our goals as we came from 2-0 down.

Key results from last weekend; Sholing continued with their impressive season with 5-0 win at Lymington. Horndean stayed in third place with a 6-0 demolition of AFC Porthester and fourth placed Bournemouth defeated Cowes Sports by 3-1 on the Isle of Wight. Bashley moved into fifth spot with a 1-0 home win in the New Forest derby against Christchurch. Bottom side Andover New Street suffered a 5-0 home loss to Team Solent after going down to 9 men during the first half.

Our Reserves and A side's Hampshire Cup runs both came to an end last weekend. The Reserves lost 5-0 away at title contenders Bush Hill and our A side lost by 3-0 at home to AFC Hiltlingbury. Both teams will be looking to get back to winning ways this afternoon and we wish them well.

Barlow's Park is a modern football facility consisting of several pitches and a clubhouse.

The facilities, which include changing rooms and a board room, are also available to other local organisations.

Situated in Tadley on the Hampshire/Berkshire border, it is run by volunteers on a non-profit basis, to provide football amenities to the local community.

The Park is managed by the BPMA (Barlow's Park Management Association). Since taking over in September 2007 ongoing improvements have and continue to be made. The latest of which include pitch fencing, hard standing, flood lights and a club house.

# Another Sore One!

Tadley Calleva 2 Portland United 2

*Sydenhams Wessex League Premier Division  
Saturday 12th January 2019*

For the second consecutive Saturday a controversial decision deep into injury time cost us valuable points. Leading 2-1 through goals from Brett Denham and George Hallahan and with 95 minutes on the clock, Portland were awarded a dubious penalty after Adam Alliston was adjudged to have fouled striker Jamie Symes on the edge of the box. The forward got up to take the penalty himself and give the visitors an undeserved share of the points.

To rub salt into our wounds, George Hallahan needed to be stretchered off after laying at the edge of the Portland 18 yard box for several minutes prior to the penalty decision being made. Unfortunately it appears as though he will spend some time on the injury list and we all wish him a speedy recovery.

Tadley started the better of the two teams and created several opportunities in the opening period. The pairing of George Hallahan and Brett Denham was looking particularly dangerous with both having half chances to open the scoring. The opening goal did come on 24 minutes though when a low driven cross by Aaron Parfitt was excellently guided past debutant keeper Mike Edgar by Denham for a well deserved lead.

Just as it looked as though it looked like we would go in at the break a goal ahead, we gifted the visitors an equaliser after 42 minutes. A long hopeful ball out of

defence wasn't properly dealt with by the Tadley defence. Mario Nurse tried to find keeper Sean O'Brien with a back-pass, but unfortunately the pass was underhit and Jamie Beasley pounced to drill the ball past O'Brien to make it 1-1 at the interval.

Tadley came out for the second half in the same determined fashion and Luke Neller tested Edgar early on. We regained the lead on the hour mark after an excellent team move which ended with Danny Vickers picking out George Hallahan on the run and he slotted the ball home with a well drilled shot.

Just as we looked to be taking a valuable three points and with George Hallahan down injured, Portland through more men forward in search of the equaliser. It paid off for them and the late penalty decision to make it 2-2 left us all feeling a bit deflated.

Manager Danny Dolan was equally down at the final whistle, but he was proud of his team's performance, on the day, against one of the Division's leading sides.

Team; O'Brien, Abrams, Nurse, Walsh, Dallimore, Neller (Thorne), Vickers, Parfitt (Alliston), Denham, Hallahan (George), Hamilton.

Not Used; Pearson, Pettet  
(Attendance 69)

# The History

## In brief

Tadley has had a football team since the early 1900's. In the modern era the team was re-formed in 1989 and played in the Basingstoke and North Hants Leagues before winning promotion to the Hampshire League. The club was formed as Tadley F.C. in 1989. They joined the Hampshire League Division Three in 1994, finishing runners-up in 1995-96, gaining promotion to Division Two.

The club changed its name to Tadley Town F.C. in 1999 and joined Division One upon re-organisation. In 2004, they changed their name to their present name and entered the Wessex Football League Division Three.

Division Three was re-named Division Two in 2006, and the club finished runners-up in 2007. In the 2007-08 season, they won the Wessex League Division One title but were denied promotion as their ground did not meet the requirements for the Premier Division. The Reserve side was also very successful in the same season by taking the Wessex Combination League title.

Since then the team has remained in Division One and has steadily been making progress on and off the field year on year. They narrowly missed out on promotion in 2014-15 and 2015-16 respectively by finishing in 3rd positions in both seasons.

In the 2010-11 campaign they reached the final of the Basingstoke Senior Cup losing to Thattham Town 4-1. The club then went on to win the same cup in 2013-14 beating local rivals AFC Aldermaston 3-2 (aet) in the final. In September 2014, the club recorded probably the best result of its modern history, defeating Conference South Basingstoke Town on penalties in the Hampshire FA Senior Cup at The Camrose after a 2-2 draw in 90 minutes.

The club had its best run in the FA Vase in season 2015-16 reaching the 3rd round proper before eventually being knocked out 4-2 after a replay and extra-time against Newport (IoW) from the Wessex Premier Division.

They have also reached the final of the North Hants Senior Cup in the last two seasons; losing out 3-1 to local rivals Whitchurch United in 2016-17, again at The Camrose, and then 5-4 on penalties to Andover New Street in 2017-18 at Longmeadow after a 3-3 draw in normal time.

The club achieved its ambition of gaining promotion to the Wessex League Premier Division last season - the highest level (Step 5) that the club has competed at. The goal is to consolidate its position on the field and to make significant progress with the infrastructure off the field.

Brett Denham opened the scoring against Portland last week
