*Match Report by Dan Walkley*

## **Horley Town 1 Tadley Calleva 0** *Combined Counties League - Premier Division* *Saturday 11th February 2023*

An excellently executed first half goal from Horley Town's Daniel Duncanson was enough to separate the sides as Tadley were sent back to Hampshire, somewhat surprisingly, empty handed.

Tadley started much the better side and could well have found themselves ahead early on after Brody Peart's low driven shot was saved well by home keeper George Hyde. The chance came after a clever square ball across the face of goal by Tadley full-back Jordan Goater. Brody Peart had another golden opportunity just moments later after he latched onto a through ball down the right hand side from Dean Stow. He drove into the box, but again he was denied as Hyde made another good save. These chances must have served as a wake up call for the home side as, against the run of play, a speculative ball over the Tadley back line released Duncanson on the right. He then managed to cut back inside onto his left foot and let fly. His shot flew past Tadley keeper Craig Atkinson and into the far corner, off the post, to make it one-nil.

Midway through the first half, a contentious throw in decision led to a few words being directed towards the man in the middle. As a result, Tadley keeper Craig Atkinson was sent to the sin bin for 10 minutes, much to the shock of many inside The New Defence. As expected, the momentum shifted and the home side threw everything forward in an attempt to capitalise on Tadley's misfortune. However, it wasn't to be and no further goals were scored prior to the break. (HT 1-0)

Tadley came out for the second period with the 'bit between their teeth' and immediately started on the front foot; driving the play forward and in control of the centre of the pitch. The best chance during the opening 10 minutes came from a well worked corner that was driven low and hard across the six-yard box. All it needed was the faintest of touches, but the ball eluded all the incoming forward players and the danger was eventually cleared at the back post. The home side continued to defend resiliently as Tadley pressed for the equaliser. Chance after chance came for the visitors, but they could not find the break through they needed.

With fifteen minutes remaining, Tadley made a number of substitutions to bolster their attack. New signing Alex Mliller, recently signed from Thatcham Town, making his debut. As an equalising goal started to look more and more likely, the home side stepped up their defensive work and pushed hard against the attacking threat that Tadley posed...being well marshalled by home skipper Jack Poplett. The final few minutes saw a bit of gamesmanship from the home side who managed to hold on for a vital three points to take them away from the immediate relegation area. (FT 1-0)

Tadley Team; Atkinson (C), Stow, Pettet (sub 70' Darboe), Neal, Goater, Peart French, Kinge (sub 70' Horton), Andrew-Knott (sub 53' Cousins), B Wright (sub 76' Miller), A Fragata (sub 80' Dacruz-Coqueno).

## Tonight's Visitors - a brief history

The club competed in regional football leagues before going up from the Hampshire League to the Southern League in 1920. Now known as Bournemouth & Boscombe Athletic, they were elected into the Football League in 1923. They remained in the Third Division South for 35 years, winning the Third Division South Cup in 1946. Placed in the newly reorganised Third Division in 1958, they suffered relegation in 1970, but would win an immediate promotion in 1970-71. Relegated back into the Fourth Division in 1975, Bournemouth were promoted again in 1981-82 and, after lifting the Associate Members' Cup in 1984, would go on to win the Third Division title in 1986-87. They spent three seasons in the second tier, but entered administration in 1997 and ended back in the fourth tier with relegation in 2002....though they immediately gained promotion by winning the play-offs in 2003.

Bournemouth entered administration for a second time and were relegated into League Two in 2008, but ended the year by appointing Eddie Howe as manager. Under Howe's stewardship, Bournemouth won three promotions in six years to win a place a place in the first tier of English football for the first time in their history. This was achieved with a second place finish in League One in 2012-13 and a Championship title in 2014-15. The club remained in the Premier League for five seasons before suffering relegation in 2020. but they returned in 2022 as Championship runners-up, this time under the management of Scott Parker.

The Hampshire Senior Cup has thrown up some intriguing ties year-on-year. Pitting Non-League clubs against those at the very top of the English football pyramid. Tonight is no exception to this as Tadley Calleva host Premier League side AFC Bournemouth in this years third round. Winners of the 2020 Hampshire Senior Cup and boasting great balance in a mix of Development & Academy players, AFC Bournemouth will prove to be a very tough test for the Combined Counties Premier Division (South) side. The Cherries entered the competition in the previous round and progressed with a 0-5 comfortable away win at Folland Sports of the Wessex League. Goals were courtesy of a Ben Greenwood hat-trick with Matt Burgess and Josh Popoola also on target. AFC Bournemouth U21 development squad currently sit 3rd in Group B of the Premier League Cup with one match remaining. Tadley Calleva come into tonight's fixture off the back of a 2-2 away draw at Alton FC in the Combined Counties Premier Division (South). Two goals from top scorer Ben Wright, one from the spot, put us 2-0 up before late fight back from the home side earned them a point. To reach the third stage of this year's Hampshire Senior Cup, Tadley have seen off Wessex League sides East Cowes Victoria 4-2 and Bournemouth FC 3-0 respectively, both matches here at Barlows Park. Tonight, Tadley will be without six first team regulars due to injury or ineligibility, however the management team will be pleased to call upon the excellent squad depth that they currently hold. It should prove to be a fascinating cup tie in front of a bumper crowd here at Barlows Park.

## From the 'dugout'

Good evening and a warm welcome to Barlows Park to all of our supporters for tonight's game against AFC Bournemouth. We'd also like to welcome the management team, players, officials and supporters of 'The Cherries' who have made the journey here to Tadley tonight.

In the last seven days we've picked up two draws, the first against Jersey Bulls here last Tuesday, the latter away to Alton on Saturday. Safe to say, we were more pleased with the result at home against Jersey Bulls seven days ago. In terms of the game itself, we more than matched one of the best teams in the league, and fully deserved the point we picked up. In games against that level of opposition there will always be moments where they put you under pressure. What was pleasing is that we rode those moments out very well and put them under some pressure at times ourselves. We got into some positive attacking situations and limited our opponents to just one shot on target. It really is a credit to all the lads and the strong, collective effort they put in. Whilst we were so proud of the boys, we were also slightly disappointed we didn't get a goal, but that's probably us being a bit too picky! It was a great start to the five game period we mapped out to the players pre-match. We then went away to face Alton on Saturday, full of confidence, and ready to claim all three points, but it just wasn't meant to be. A Ben Wright double saw us take a two-nil lead, but two late goals for the hosts saw us walk out of the game thoroughly disappointed and a solitary

point. In the last twenty minutes of the match, we seemed to run out of steam and couldn't really relieve some of the immense pressure that Alton were able to put us under. It really was a tough one to take, but this is what to expect in the Combined Counties. As we consistently say, anything can happen and any team is capable of beating anyone else. You don't have the right to win against teams in the bottom half of the division without working hard for it. We've learned our lesson the hard way in the last couple of weeks with our results away at Horley Town and Alton respectively.

On tonight's game, we are under no illusions of how tough a test this game will be. But this is a great opportunity to put ourselves up against an established and professional club in AFC Bournemouth. All the lads are buzzing to be involved and we'll be looking to display the best version of ourselves for sure. Finally, we'd like to thank you all for your support and for turning out tonight. Ticket sales suggest a crowd of 650+ and we can't thank you enough. So please be loud and proud, support the lads throughout and hopefully you can enjoy the game.

*Match Report by Dan Walkley*

## Tadley Calleva 0 Jersey Bulls 0 *Combined Counties Premier Divison (South) Tuesday 14th February 2023*

A stalemate at Barlows Park saw the points shared last Tuesday night as Tadley Calleva and Jersey Bulls played out a competitive nil-nil draw in front of a crowd of 84. A bit of a disappointing turn out for a high profile match. Both sides came into the fixture off the back of narrow one-nil defeats the previous weekend and were looking to make amends by claiming all three points.

The hosts had a fantastic opportunity to open the scoring with barely a minute on the clock. Ousman Darboe picked the ball up in the middle of the park, played it wide to Kalum Cousins whose intricate pass into Jack French allowed the midfielder to force a strong save from Jersey number one Euan Van Der Vliet. The Bulls started to create their own opportunities and half chances were aplenty. In form striker Lorne Bickley had arguably the best opportunity as he managed to break the Tadley defensive line and hit his shot towards goal. This was straight at Tadley keeper Craig Atkinson who saved well and also kept hold of the ball. The remainder of the half was contested mostly in the centre of the pitch with both sides looking to control possession and the tempo of the game. Clear goal scoring chances dried up after the first 15 minutes of the first half and there was little in the way of any real opportunities for either side to open the scoring. (HT 0-0)

The second half started much the same, albeit more physical and a bit more scrappy. Tadley were holding possession of the ball really well in midfield, but again were unable to fashion any clear cut scoring opportunities as the visitors defence stood strong and

organised, not allowing the home side to break the line. The balance of the game was beginning to turn as the second half progressed and on 73 minutes, Tadley forward, Ben Wright was sent to the sin bin by the referee after a disagreement following a challenge in the air from Jersey skipper James Queree. This didn't seem to hamper Tadley in the initial stages as Brody Peart made a superb run down the right and managed to go round keeper Van Der Vliet. However, this forced him wide and his resulting shot from a tight angle was blocked on the line by Luke Campbell who steered the ball away from any further danger....the best chance of the game for either side.

The Bulls weren't happy to settle for a point as they probably felt it would damage any title aspirations they may still have had. They committed many players forward in the final stages in an attempt to break the deadlock, but to no avail. The referee blew for full time and a largely uneventful game in terms of goalmouth action came to an end. A few words were exchanged in the centre circle after the final whistle with the visitors picking up two yellow cards. A well organised and resilient performance earned Tadley a point at home to one of the main promotion favourites. (FT 0-0)

Tadley Team; Atkinson (C), Stow (sub 46' Walsh), Chambers, Neal, Goater, Darboe, French, Kinge, Cousins (sub 70' S Wright), B Wright, Peart (sub 85' Miller).

Unused Subs; Horton, Fragata

Attendance: 84

# The History

Tadley has had a football team since the early 1900's. In the modern era the team was re-formed in 1989 and played in the Basingstoke and North Hants Leagues before winning promotion to the Hampshire League. The club was formed as Tadley F.C. in 1989. They joined the Hampshire League Division Three in 1994, finishing runners-up in 1995-96, gaining promotion to Division Two.

The club changed its name to Tadley Town F.C. in 1999 and joined Division One upon re-organisation. In 2004, they changed their name to their present name and entered the Wessex Football League Division Three.

Division Three was re-named Division Two in 2006, and the club finished runners-up in 2007. In the 2007-08 season, they won the Wessex League Division One title but were denied promotion as their ground did not meet the requirements for the Premier Division. The Reserve side was also very successful in the same season by taking the Wessex Combination League title.

Since then the team has remained in Division One and has steadily been making progress on and off the field year on year. They narrowly missed out on promotion in 2014-15 and 2015-16 respectively by finishing in 3rd position in both seasons.

In the 2010-11 campaign they reached the final of the Basingstoke Senior Cup losing to Thatcham Town 4-1. The club then went on to win the same cup in 2013-14 beating local rivals AFC Aldermaston 3-2 (aet) in the final. In September 2014, the club recorded probably the best result of its modern history, defeating Conference South Basingstoke Town on penalties in the Hampshire FA Senior Cup at The Camrose after a 2-2 draw in 90 minutes.

The club had its best run in the FA Vase in season 2015-16 reaching the 3rd round proper before eventually being knocked out 4-2 after a replay and extra-time against Newport (IoW) from the Wessex Premier Division.

They have also reached the final of the North Hants Senior Cup in the last two seasons; losing out 3-1 to local rivals Whitchurch United in 2016-17, again at The Camrose, and then 5-4 on penalties to Andover New Street in 2017-18 at Longmeadow after a 3-3 draw in normal time.

The club achieved its ambition of gaining promotion to the Wessex League Premier Division last season - the highest level (Step 5) that the club has competed at. The goal is to consolidate its position on the field and to make significant progress with the infrastructure off the field.
