## Today's Visitors

We welcome tonight's opponents to Barlow's Park for the first time since the 2018-19 season when we were victorious by 2-1. George Hallahan and Luke Neller scored for Tadley with Elliot Bevis on target for Shaftesbury. Both teams have changed their personnel quite considerably, both on the pitch and in the dug-out, from that November day.

Shaftesbury FC was established in 1888 and the club's first success was winning the League Cup in 1900 and then gain in 1905-06 along with the league title. In the 1908-09 season Shaftesbury formed a reserve side and also a midweek league side known as Shaftesbury Wednesday.

In the early 1920's the first youth team was formed called Shaftesbury Athletic. Shaftesbury's next success was in the 1932-33 season winning the Dorset Senior League. The most successful period came in the 1940's & 50's when Shaftesbury won 12 cup competitions in a 10 year period.

Shaftesbury then moved to the ground known as Cockrams in 1974. Still playing there today, but on a slightly different located pitch due to the arrival of Tesco Supermarket.

Many more titles were won over the years with winning the League Cup in 1976, League Champions and Combination Cup in 1988-89, Combination Cup Winners 1994-95 and League Winners 1996-97. In 2004-05, Shaftesbury entered the Wessex League and for the first time in 2005-06 entered the FA Vase and the FA Cup the following season.

In 2011-12, the club returned to the Dorset Premier League and at the end of 2015 resulted a successful period when they won the league and gained promotion back to the Wessex League. They again gained promotion the following season to the Wessex Premier Division. 2017-18 was a successful season for the club, retaining their status in the Premier Division and winning the Salisbury Hospital Cup. Unfortunately they lost in the final of the Dorset Senior Cup.

Last season they were in 16th place in the Premier Division when it ended with River Smith their top scorer with 10 league goals.

They play their home games at Cockrams, Coppice Street, Shaftesbury, SP7 8PF and are affectionately known as 'The Rockies' by their loyal band of supporters.

## Message from the Manager

Good evening and welcome to Barlow's Park for tonight's Wessex League Premier Division match. A particularly warm welcome is extended to the players, officials and supporters of Shaftesbury FC and also to tonight's match officials.

It's good to be back at Barlow's Park in a long awaited return to league action. It has now been six weeks since our last match due to postponements and the second national lockdown and we're raring to go. Whilst all of this has been out of our control, it's also been very frustrating as we were looking much more positive in matches just prior to the break. I'm hoping that we can continue where we left off and that fans are allowed into the ground.

In our last match, we were probably at our best and played some excellent football against Bournemouth Poppies in a 5-0 home win. It was a very impressive performance from everyone involved and I was delighted for the players. We had made some significant improvements over the previous weeks. If not for some excellent goalkeeping, the margin of victory could have been much wider and it wouldn't have flattered us at all. On to tonight's game and I have a squad

ready to go unbeaten for the fourth game in a row. Unfortunately goalkeeper Jack Martin will be out for some time after sustaining a serious hand injury during a training session with Eastleigh FC. I've brought in Aaron Bufton from Alresford Town to come in and take the gloves.

We also welcome our record goalscorer Brett Denham back to the club from Andover New Street and midfielder Dan Bailey on dual registration from Hungerford Town. I'd also like to welcome new 1st team coach Gareth Thomas (former captain of Thatcham Town) who will replace Harrison Gilkes in the dug-out.

We've managed to get two good training sessions prior to tonight's game where the players looked sharp and they all can't wait to get going again.

Thanks for reading and I hope you enjoy the game!

# Welcome to Barlows Park —

Home to Tadley Calleva FC

Barlow's Park is a modern football facility consisting of several pitches and a clubhouse.

The facilities, which include changing rooms and a board room, are also available to other local organisations.

Situated in Tadley on the Hampshire/Berkshire border, it is run by volunteers on a non-profit basis, to provide football amenities to the local community.

The Park is managed by the BPMA (Barlow's Park Management Association). Since taking over in September 2007 ongoing improvements have and continue to be made. The latest of which include pitch fencing, hard standing, flood lights and a club house.

# 5 Star Performance!

Tadley Calleva 5 Bournemouth 0  
*Sydenhams Wessex League - Premier Division*  
*Tuesday 27th October 2020*

We welcomed Bournemouth 'Poppies' to Barlow's Park on Tuesday evening hoping to make up for, what we felt were, two points 'dropped' against Portland United the previous Saturday. With Bournemouth sitting a couple of places above us in the league table it had the feeling of an early season 'must win' game.

Manager Adam Clark had almost a fully fit squad to pick from and it was also pleasing to see George Farrelly make a return after a couple of weeks on the sidelines.

Well, we couldn't have got off to a much better start by going 2-0 in front inside the first 10 minutes. Andrew Charsley got the scoring underway on 4 minutes as he was first to a loose ball following a Jordan Goater corner. Brad Neal made it 2-0 just 5 minutes later as his header hit the target, again from a Jordan Goater cross after a cleared corner. The game was probably ended as a contest on 15 minutes. Yet another Jordan Goater corner did the damage with Brad Neal placing his powerful header well wide of Sam Jones in the Bouremouth goal.

It would be fair to say that it was all Tadley for the remainder of the half and it was only down to the heroics of Sam Jones that kept the score to 3-0 at the break. Twice he made excellent saves from Josh Drew and another from Connor Thorne just prior to the interval. Manni Soetan and Jake Nicholls both had decent opportunities, but both efforts just missed the target. Tadley didn't want the half time whistle to blow as we were probably playing some of our best football to date. However, there were no more goals and we went in at the break 3-0 to the good.

The second half, understandably, started off a little slower as the game got a bit scrappy and chances for both sides were pretty much kept to a minimum. However the game burst into life again on 65 minutes as Manni Soetan saw Jones tip his well driven shot onto the bar and out for a corner kick.

Another corner from Jordan Goater was then tucked away at the far post by skipper Tom Walsh to make it 4-0 after 70 minutes. The scoring was then completed 5 minutes from time when Jamie Johnston went one on one with his marker before sliding in Josh Elms who excellently slotted the ball into the bottom corner to open up his scoring account for the club.

A well deserved 5-0 victory for the lads and they now hope to continue with their run against Shaftesbury at home on Saturday.

Manager Adam Clark said after the game "We dominated the game for 90 minutes and, for me, the first half was the best football I've seen from my side since I've been in charge. If not for some heroic goalkeeping from Sam Jones in the Bournemouth goal, the margin of victory would have been much bigger. I will now be looking for this type of performance to be a regular occurrence".

Team; Martin, Harris (Hinnachi), Walsh, Nicholls, Neal, Charsley, Thorne, Goater, Drew (Elms), Farrelly (Johnston), Soetan  
Subs not used; Rolfe  
(Attendance 70)

# The History

Tadley has had a football team since the early 1900's. In the modern era the team was re-formed in 1989 and played in the Basingstoke and North Hants Leagues before winning promotion to the Hampshire League. The club was formed as Tadley F.C. in 1989. They joined the Hampshire League Division Three in 1994, finishing runners-up in 1995-96, gaining promotion to Division Two.

The club changed its name to Tadley Town F.C. in 1999 and joined Division One upon re-organisation. In 2004, they changed their name to their present name and entered the Wessex Football League Division Three.

Division Three was re-named Division Two in 2006, and the club finished runners-up in 2007. In the 2007-08 season, they won the Wessex League Division One title but were denied promotion as their ground did not meet the requirements for the Premier Division. The Reserve side was also very successful in the same season by taking the Wessex Combination League title.

Since then the team has remained in Division One and has steadily been making progress on and off the field year on year. They narrowly missed out on promotion in 2014-15 and 2015-16 respectively by finishing in 3rd position in both seasons.

In the 2010-11 campaign they reached the final of the Basingstoke Senior Cup losing to Thatcham Town 4-1. The club then went on to win the same cup in 2013-14 beating local rivals AFC Aldermaston 3-2 (aet) in the final. In September 2014, the club recorded probably the best result of its modern history, defeating Conference South Basingstoke Town on penalties in the Hampshire FA Senior Cup at The Camrose after a 2-2 draw in 90 minutes.

The club had its best run in the FA Vase in season 2015-16 reaching the 3rd round proper before eventually being knocked out 4-2 after a replay and extra-time against Newport (IoW) from the Wessex Premier Division.

They have also reached the final of the North Hants Senior Cup in the last two seasons; losing out 3-1 to local rivals Whitchurch United in 2016-17, again at The Camrose, and then 5-4 on penalties to Andover New Street in 2017-18 at Longmeadow after a 3-3 draw in normal time.

The club achieved its ambition of gaining promotion to the Wessex League Premier Division last season - the highest level (Step 5) that the club has competed at. The goal is to consolidate its position on the field and to make significant progress with the infrastructure off the field.
